

MAKING ENEMIES

A photograph of a soldier in a helmet aiming a rifle in a field. The image is overlaid with a red tint and a dark green border at the top. The soldier is wearing a helmet and a uniform, and is holding a rifle with both hands, aiming it towards the left. The background is a field of tall grass or reeds.

War and State Building in Burma

Mary P. Callahan

Making Enemies War And State Building In Burma

Andray Abrahamian

Making Enemies War And State Building In Burma:

Making Enemies Mary Patricia Callahan, 2004 Sets out to explain the extraordinary durability of the Burmese military regime by examining the history of relations between the junta and society in Burma The authors unparalleled access to the military and its leaders allows her to correct existing explanations of Burmese authoritarianism and to supply new information about the coups of 1958 and 1962

Making Enemies Mary Patricia Callahan, 2018 The Burmese army took political power in Burma in 1962 and has ruled the country ever since The persistence of this government even in the face of long term nonviolent opposition led by activist Aung San Suu Kyi who was awarded the Nobel Peace Prize in 1991 has puzzled scholars In a book relevant to current debates about democratization Mary P Callahan seeks to explain the extraordinary durability of the Burmese military regime In her view the origins of army rule are to be found in the relationship between war and state formation Burma s colonial past had seen a large imbalance between the military and civil sectors That imbalance was accentuated soon after formal independence by one of the earliest and most persistent covert Cold War conflicts involving CIA funded Kuomintang incursions across the Burmese border into the People s Republic of China Because this raised concerns in Rangoon about the possibility of a showdown with Communist China the Burmese Army received even more autonomy and funding to protect the integrity of the new nation state The military transformed itself during the late 1940s and the 1950s from a group of anticolonial guerrilla bands into the professional force that seized power in 1962 The army edged out all other state and social institutions in the competition for national power Making Enemies draws upon Callahan s interviews with former military officers and her archival work in Burmese libraries and halls of power Callahan s unparalleled access allows her to correct existing explanations of Burmese authoritarianism and to supply new information about the coups of 1958 and 1962

North Korea and Myanmar Andray Abrahamian, 2018-02-12 North Korea and Myanmar Burma are Asia s most mysterious tragic stories For decades they were infamous as the region s most militarized and repressed societies self isolated and under sanctions by the international community while from Singapore to Japan the rest of Asia saw historic wealth creation and growing middle class security For Burma the threat was internal insurgent factions clashed with the government and each other For North Korea it was external a hostile superpower the United States and a far more successful rival state South Korea occupying half of the Korean peninsula Over time Myanmar defeated its enemies giving it space to explore a form of democratization and openness that has led to reintegration into international society Meanwhile North Korea s regime believes its nuclear arsenal the primary reason for their pariah status is vital to survival

Armed Groups and International Legitimacy William Plowright, 2021-02-23 This book analyses the issue of child soldiers in order to understand how armed groups engage with international organizations to gain international legitimacy The work examines why some armed groups follow the rules of international humanitarian law and others do not It argues that armed groups in conflicts around the world engage with international organizations in order

to gain international legitimacy and to show they are following the laws of war By examining the issue of child soldiers in contemporary armed conflict the volume establishes a typology of which groups will engage with international actors and follow the laws of war and which will not The main aim of the book is to understand the rationality of even the most violent of actors and to understand when and how armed groups can be encouraged to follow the laws of war The work draws from extensive primary research conducted among armed groups in Syria and Myanmar including al Qaeda the Islamic State and the many small ethnic insurgent groups of Myanmar This book will be of much interest to students of war and conflict studies security studies international humanitarian law and International Relations

New Frontiers of Land Control Nancy Lee Peluso, Christian Lund, 2013-09-13 Questions about land control have invigorated thinkers in agrarian studies and economic history since the nineteenth century Exclusion alienation expropriation dispossession and violence animate histories of land use property rights and territories More recently agrarian environments have been transformed by processes of de agrarianization urbanization migration and new forms of primitive accumulation Even the classic agrarian question of how the social relations of agriculture will be influenced by capitalism has been reformulated at critical historical moments reviving or producing new debates around the importance of land control The authors in this volume focus on new frontiers of land control and their active creation These frontiers are sites where established power relationships are challenged by new enclosures and property regimes producing new social and environmental dynamics in their stead Contributors examine labor and production processes engaged by new configurations of actors new agrarian and environmental subjects and the networks connecting them and new legal and violent means of challenging established or imminent land controls Overall we find that land control still matters though in changed degrees and manners Land control will continue to inspire struggles for a long time This book was originally published as a special issue of the Journal of Peasant Studies

Debating Democratization in Myanmar Nick Cheesman, Nicholas Farrelly, Trevor Wilson, 2014-04-14 Is Myanmar Burma democratizing or is it moving towards a new form of authoritarianism perhaps one more consonant with other contemporary authoritarian regimes in Asia Coming at a critical time and one of growing interest in this Southeast Asian country among researchers and policy makers Debating Democratization in Myanmar addresses this complex question from a range of disciplinary and professional perspectives Chapters by leading international scholars and practitioners activists and politicians from Myanmar and around the world cover political and economic updates as well as the problems of democratization the re engagement of democratic activists and exiles in domestic affairs the new parliament the electoral system and everyday politics prospects for the economy ethnic cooperation contestation and conflict the role of the army and police forces and conditions for women Together they constitute an empirically deep and analytically rich source of readable and relevant material for anyone keen to obtain a greater understanding of what is happening in Myanmar today and why

Introduction to Geopolitics Colin Flint, 2021-08-30 This new updated edition presents the overarching themes of

geopolitical structures and agents in an engaging and accessible manner which requires no previous knowledge of theory or current affairs It helps readers understand the geopolitical implications of COVID 19 China s pronounced role in the world the relative decline of the US and the Black Lives Matter movement Using new pertinent case studies and guided exercises the title explains the contemporary global power of the United States and the challenges it is facing the changing foreign policy of China and other countries the persistence of nationalist conflicts migration cyberwar and cyberactivism terrorism energy geopolitics and environmental geopolitics Expanded case studies of the South China Sea disputes and China s Belt and Road Initiative emphasize the multi faceted nature of conflict The book raises questions by incorporating international and long term historical perspectives and introduces readers to different theoretical viewpoints including feminist contributions The new edition features fresh discussion of island geopolitics the Anthropocene age and geoeconomics

Introduction to Geopolitics will provide its readers with a set of critical analytical tools for understanding the actions of states as well as non state actors acting in competition over resources and power Both students and general readers will find this book an essential stepping stone to a deeper and critical understanding of contemporary conflicts The companion website will enable readers to apply the themes of the book to the constant shifts in current affairs to enable deeper understanding It will provide access to weekly essays showing how the themes explain current events

Interpreting Communal Violence in Myanmar Nick Cheesman, 2018-12-07 Myanmar s recovery from half a century of military rule has been fraught As in other religiously culturally and linguistically heterogeneous countries where a dictatorship has loosened a tight grip people there have wanted for democratic institutions to express and manage conflict Under these circumstances mundane and seemingly apolitical events sometimes unfold into moments of intense violence *Interpreting Communal Violence in Myanmar* addresses one such violent chapter in Myanmar s recent past the communal violence that shook the country between 2012 and 2014 The violence most of it involving Buddhists attacking Muslims ranged from localised fleeting inter group melees to large scale apparently well organised state supported killing and destruction of property of a targeted community running over a number of days The book s seven chapters comprise a response to the violence by a group of Myanmar and Southeast Asia experts Their contributions trace the histories and contemporary features of the violence and the legal and political arrangements that made it possible Their interpretations while specific to Myanmar also contribute to broader debate about the characteristics causes and consequences of communal violence generally The chapters were originally published as a special issue in the *Journal of Contemporary Asia*

Constitutional Foundings in Southeast Asia Kevin YL Tan, Ngoc Son Bui, 2019-05-30 This volume focuses on the making nature and role of the first modern constitutions at the founding of the modern nation states in Southeast Asia These historical essays add richly to our understanding and appreciation of the founding moments and to the theory and practice of constitutionalism in these states This volume makes three significant contributions First it helps plug the wide knowledge gap in comparative constitutional history in Southeast Asia Second it

further our understanding of contemporary constitutional practice and also anticipates possible developmental trajectories in light of the foundational values embedded in and manifested through these constitutions Third through the comparative historical study of these early constitutions plausible theoretical insights may be gained to further our understanding of Southeast Asia's constitutional history The book is essential reading for those wishing to obtain a deeper understanding of the constitutional foundations of Southeast Asia

Southeast Asia Views the United States Ann Marie Murphy, 2025-01-28 This book is a comprehensive study of Southeast Asian views of their respective countries' foreign policies towards the United States The Southeast Asian contributors are all individuals who bridge both academia and foreign policy circles in their countries in Southeast Asia the Indo Pacific more broadly and globally There is a dearth of theoretically informed empirically rich literature on the foreign policies of Southeast Asian states This volume with eight chapters written by some of Southeast Asia's leading analysts is therefore important, timely, and fills a large gap in the literature

Autonomy and Armed Separatism in South and Southeast Asia Michelle Ann Miller, 2012 Armed separatist insurgencies have created a real dilemma for many national governments of how much freedom to grant aggrieved minorities without releasing territorial sovereignty over the nation state This book examines different approaches that have been taken by seven states in South and Southeast Asia to try and resolve this dilemma through various offers of autonomy Providing new insights into the conditions under which autonomy arrangements exacerbate or alleviate the problem of armed separatism this comprehensive book includes in depth analysis of the circumstances that lead men and women to take up arms in an effort to remove themselves from the state's borders by creating their own independent polity

Historical Dictionary of Human Rights Jacques Fomerand, 2014-02-18 This dictionary has more than 1000 cross-referenced entries on terminology, conventions, treaties, intergovernmental organizations in the United Nations family or regional bodies and the constantly expanding universe of non-governmental organizations as well as some of the pioneers and defenders of human rights

Rule of Law Intermediaries Kristina Simion, 2021-05-06 Scholars puzzle over the conditions that make rule of law development in authoritarian settings successful In this significant contribution focusing on the decade of Myanmar's political transformation Kristina Simion explores rule of law assistance through the practice and experience of intermediaries, their capital strategies and challenges How do intermediaries influence the field and the ways in which the rule of law is brokered transnationally And why do they matter Simion relates her research to law and sociology to bring to light these neglected players focusing on who they are, the influence they have, their double agency and their crucial importance in establishing trust and translating rule of law Relying on rich empirical data collected in Myanmar, the book shares the voices of the individuals that help to steer societal change within authoritarian confines This socio-legal work offers some insights into why rule of law change in authoritarian settings often does not go expected ways, one of the development field's long unresolved issues

Subverting Empire Will Jackson, Emily Manktelow, 2015-07-15 Across their empire the British spoke ceaselessly of

deviants of undesirables ne'er do wells petit tyrants and rogues With obvious literary appeal these soon became stock figures This is the first study to take deviance seriously bringing together histories that reveal the complexity of a phenomenon that remains only dimly understood

New Answers to Old Questions Aaron Connelly, Shona Loong, 2024-06-26 Outside Myanmar the 2021 coup d'état has often been portrayed as the end of a hopeful period for the country In this Adelphi book however Aaron Connelly and Shona Loong argue that the Aung San Suu Kyi government that preceded it was a false dawn unlikely to fulfil the international community's aspirations for a stable peaceful and strong Myanmar Instead the movement opposing the 2021 coup holds much greater promise despite the bloody conflict that dominates the news today Connelly and Loong survey three fundamental relationships that have shaped Myanmar before and after the coup between the military and the state between the majority Burmese and ethnic minorities and between Myanmar and the world to explain how opposition to the coup has shifted all of them in a more liberal pluralist and cosmopolitan direction

Religion and Conflict in South and Southeast Asia Linell E. Cady, Sheldon W. Simon, 2006-09-27 A major new contribution to comparative and multidisciplinary scholarship on the alignment of religion and violence in the contemporary world with a special focus on South and Southeast Asia Religion and Conflict in South and Southeast Asia shows how this region is the site of recent and emerging democracies a high degree of religious pluralism the largest Muslim populations in the world and several well organized terrorist groups making understanding of the dynamics of religious conflict and violence particularly urgent By bringing scholars from religious studies political science sociology anthropology and international relations into conversation with each other this volume brings much needed attention to the role of religion in fostering violence in the region and addresses strategies for its containment or resolution The dearth of other literature on the intersection of religion politics and violence in contemporary South and Southeast Asia makes the timing of this book particularly relevant This book will of great interest to advanced undergraduate and postgraduate students of Asian politics security studies and conflict studies

Myanmar's Rohingya Genocide Ronan Lee, 2021-01-28 The genocide in Myanmar has drawn global attention as Nobel Peace Prize laureate Aung San Suu Kyi appears to be presiding over human rights violations forced migrations and extra judicial killings on an enormous scale This unique study draws on thousands of hours of interviews and testimony from the Rohingya themselves to assess and outline the full scale of the disaster Casting new light on Rohingya identity history and culture this will be an essential contribution to the study of the Rohingya people and to the study of the early stages of genocide This book adds convincingly to the body of evidence that the government of Myanmar has enabled a genocide in Rakhine State and the surrounding areas

Secrets and Power in Myanmar Andrew Selth, 2019-09-06 No external observer knows more about Myanmar's security and intelligence apparatus than Andrew Selth In this book he presents an account of the structure and functions of Myanmar's deep state along with a tale of personal ambition rivalry and ruthless power politics worthy of John Le Carre A thoroughly educative entertaining and intriguing read Professor Michael Wesley

Dean College of Asia and the Pacific The Australian National University Andrew Selth has once again amply illustrated the depth and penetration of his study of Myanmar Burma and its institutions This work on the more recent aspects of the country s intelligence apparatus goes beyond a masterful and comprehensive analysis of the Burmese intelligence community and probes the social and institutional bases of the attitudes giving rise to that critical aspect of power We are once again in Dr Selth s debt This is required reading for serious observers of the Burmese scene David I Steinberg Distinguished Professor of Asian Studies Emeritus Georgetown University By lifting the lid on a pervasive yet secretive intelligence apparatus Andrew Selth makes an outstanding contribution to Myanmar Studies For scholars and practitioners alike this book provides an essential history of a security state that remains powerful even during the transition away from overt authoritarian rule Professor Ian Holliday Vice President Teaching and Learning The University of Hong Kong *The History of Myanmar* William J. Topich, Keith A. Leitich, 2013-01-09 This text provides a thorough examination of the history of Myanmar from Neolithic times to the present Myanmar has experienced a seemingly endless series of conquerors dating from prehistoric times through the reign of Kublai Khan s Mongol forces beginning in the late 1200s all the way through the modern era when it was subject to both British colonial control and invasion by the Japanese during World War II The History of Myanmar provides a detailed historical overview of the key people places and events in this often overlooked country s past and present It examines the history of Myanmar from Neolithic times to all of its ruling dynasties to the modern era in a chronological manner providing a contextual framework for the further exploration of its complex history This text pays special attention to the unique circumstances that led to the formation of the modern nation of Myanmar **Extracting Natural Resources** United States. Congress. Senate. Committee on the Judiciary. Subcommittee on Human Rights and the Law, 2009

Making Enemies War And State Building In Burma Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Making Enemies War And State Building In Burma PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals

fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Making Enemies War And State Building In Burma PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Making Enemies War And State Building In Burma free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Making Enemies War And State Building In Burma Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Making Enemies War And State Building In Burma is one of the best book in our library for free trial. We provide copy of Making Enemies War And State Building In Burma in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Making Enemies War And State Building In Burma. Where to download Making Enemies War And State Building In Burma online for free? Are you looking for Making Enemies War And State Building In Burma PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt

there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Making Enemies War And State Building In Burma. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Making Enemies War And State Building In Burma are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Making Enemies War And State Building In Burma. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Making Enemies War And State Building In Burma To get started finding Making Enemies War And State Building In Burma, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Making Enemies War And State Building In Burma So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Making Enemies War And State Building In Burma. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Making Enemies War And State Building In Burma, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Making Enemies War And State Building In Burma is available in our book collection an online access to it is set as public so you can download it instantly.
