Making Good Habits Joyce Meyer Ministries:

Making Good Habits, Breaking Bad Habits Joyce Meyer, 2013-04-02 Nearly everything we do in life is the result of our habits. The good ones bring peace, joy, and power into our lives, and the bad ones steal our peace and joy and prevent our success. In this book, Joyce Meyer explains how to develop good habits, the things you really want to do, and break the bad ones, putting an end to frustration, discouragement, and stress that drains your energy. The most important habit comes first: the God habit. Next comes a willingness to work for the results you want. Joyce reminds us that if we don't pay the price for freedom, we will end up paying the price for bondage. Next comes the power of our words. Our words and the thoughts that propel them have tremendous power over our actions, and repeated actions are the basis of our habits. There are eleven more habits that Joyce discusses in depth, including the habits of happiness, faith, excellence, responsibility, generosity, discipline, decisiveness, and confidence. Choose one area and begin, she urges. Don't feel overwhelmed by all the changes that are needed. One thing at a time, one day at a time, is the best plan. Celebrate every day of success, and when you make mistakes, shake off the disappointment and keep going forward. You can transform your life, one habit at a time. **Making Good Habits, Breaking Bad Habits** Joyce Meyer, 2014-04-10 From nail biting to cell phone addiction, procrastination to overspending, bad habits seem to outnumber the good ones. Unfortunately, we pay a price for bad habits that outweighs the immediate gratification that they bring. Experts say that at least 40% of what we do is solely the result of habit, which is why it is so important to make good habits and break bad ones. In this book, Joyce Meyer starts by examining the nature of habits.

The book captures various aspects of what a spiritual awakening journey entails. The reader is invited to go on a journey of discovery and inspiration as the concept is unpacked through stages, steps, progress, lessons, challenges, ups and downs, excitement, and some very trying times. Synonymous with the Israelites' pilgrimage journey through the wilderness to the Promised Land, a spiritual awakening journey is traced through using interesting principles and insights. Applying logical reasoning, experience, and faith at the same time, IM Dlamini paints an interesting exposition of what is regarded as a spiritual awakening journey. **Your Battles Belong to the Lord** Joyce Meyer, 2019-09-10 Put on the armor of God, conquer your problems, and know your real enemy with renowned Bible teacher and New York Times bestselling author Joyce Meyer. forbid them not to come unto me for such is the kingdom of heaven Matthew 19 14 KJV Parenting is the one job we do not want to get wrong yet the reality is that we usually are not aware of our mistakes with our children until after we have made them God knows I am probably the last person who should be offering anyone advice on parenting because of all the mistakes I made as a father I nevertheless persist in this endeavour because of what the former Prime Minister of Great Britain said about the benefits of mistakes No man ever became great or good except through many and great mistakes Only what we put into raising our children can we expect to see them manifest It is my hope that this small book which features just a few of the lessons I have learned from the mistakes I have made and continue to make as a father will help other parents become better at the job of nurturing the next generation of leaders and achievers **Efesios Joyce**
