Making A Play Hometown Players:

Game On Victoria Denault, 2018-03-27 I don't break hearts I break headboards When it comes to scoring in the pro hockey league Alex Larue is crushing it with the hot puck bunnies He's the life of the party the guy with all the jokes and the one whose Party Guy mask keeps the real him well hidden The last thing he needs is anyone finding out about his troubled past or the nightmares that haunt him still Brie Bennett is less than impressed by Alex from the moment she meets him And even though he insists on volunteering at the charity she runs she doesn't trust him He's hiding something but so is she She's not just the rich privileged New York princess he thinks she is The animosity between them is undeniably addictive and as their worlds keep colliding it becomes supercharged with something else attraction But if they stop playing games and let each other in they both might lose

On the Line Victoria Denault, 2016-09-06 He had total control of his game until she changed all the rules As one of the best players in the NHL and the golden boy of the league Avery Westwood knows he has to keep his cool on and off the ice His whole life is a carefully constructed image of perfection for the media and his brand sponsors Of course that means he can never let his true feelings show But when it comes to the sexy sister of his former teammate Avery might be willing to make an exception even if it means breaking all his own rules As far as Stephanie Deveau is concerned having a thing for Avery is the equivalent of psychological napalm Tres bad idea Then he moves in next door all sexy smiles and a deliciously hot body that she can't resist Something's happening between them it's intense a little a lot out of control and real Only Avery doesn't know everything about Stephanie's past And the one exception to his rule might just be the one girl who could destroy his career

Conner Victoria Denault, 2025-05-18 My name is Conner Garrison and I'm a failure The men in my family are some of the most successful hockey players of all time and I'm about to get dropped from the entire league How do I face them Avoiding my large well meaning but invasive family is how I end up face to face with my childhood crush at midnight And I happen to be as naked as the day I was born Mackenzie Mac Larue is five years older than me gorgeous and about to become a doctor She's also dealing with a crushed ego thanks to a bad ex boyfriend Finally something I can fix I might not be able to save my career but I can help this incredible woman rebuild her confidence As a friend She sees me as a work project nothing else But the more time we spend together the more I start to believe that if I can earn back my career maybe I can earn her heart her too

The Integration of Minor League Baseball Rick Swaine,Gary C. Fink,2025-05-20 Though much has been written about Negro Leagues players and Black

major leaguers of the integration era little attention has been given to the accomplishments and struggles of Black minor league pioneers This work is a history of minor league integration with complete records for the more than one thousand players of color who toiled in Organized Baseball s minor leagues from 1946 to 1959 competing against the odds for a shot at the big leagues that few would get This work is a tribute to an underappreciated group of men who helped clear away the vestiges of a racist system that kept many of the game s best players from gaining the recognition they deserved Only about 10% would ever appear in the major leagues but the careers of Black major league stars of the 1950s and 1960s were built on the backs of this largely forgotten generation of players The underlying statistical and demographic information is compiled in a comprehensive register of players that were not or probably would not have been given a chance in Organized Baseball prior to the crossing of the color barrier due to their racial heritage

Programming Reality Zoë Druick,Aspa Kotsopoulos,2008-08 Programming Reality Perspectives on English Canadian Television the first anthology dedicated to analyses of Canadian television content is a collection of original interdisciplinary articles combining textual analysis and political economy of communications It explores the television that has thrived in the Canadian regulatory and cultural context namely programs that straddle the border between reality and fiction or even blur it The conceptual basis of this collection is the hybrid nature of television fare the widely theorized notion that all mediations of reality involve fiction in the form of narrative or symbolic shaping Each of the contributions here is a reminder too of the significant relationship of television to nation building in Canada to the imaginative work involved in thinking through the relations that constitute nations citizens and communities The collection focuses on English language Canadian television because the imperatives guiding its texts are markedly different from those pertaining to their French lanugage counterparts The collection therefore develops a nuance of perspective on the cultural and political economic specificities that inform the imaginative work of television production for English Canada
