sivajothi, Dr. K. S. Karthik Babu, Advocacy Practice for Social Justice, Third Edition Richard Hoefer, 2015-08-01 Current economic and social forces are creating a society with less equality, justice, and opportunity for all but the privileged few. Social workers are called upon by their code of ethics to counteract these trends and actively work to achieve social justice. Hoefer's empirically based step-by-step approach demonstrates how to integrate advocacy for social justice into everyday social work practice. The book shows through anecdotes, case studies, examples, and the author's own personal experiences exactly how advocacy can be conducted with successful outcomes. Each chapter builds upon the previous to provide a concise yet detailed blueprint for conducting successful advocacy. The previous two editions of this book have been used and admired by professors and students alike.
