Feminist Periodicals ,2004 Couple's Answers for Cancer Larry Bevis,Shelly Bevis,2009-07 No matter what type of cancer you have been diagnosed with this book is a must read to help you as you battle cancer I am one of the few adult brain tumor survivors I had an anaplastic astrocytoma grade III I was given 3 months if the surgery radiation and chemo didn't work up to 3 years if everything worked great I passed the 3 year mark 6 months ago Cancer is a war of life and death There is no guaranteed cure for cancer A 100% commitment is required by you as well as those around you to win the battle The fight for survival is up to you I have just been informed by my doctors that I am now cancer free It is our hope that you will read this book and take some insight tips inspiration hope determination and fight with you to help you win your battle against cancer while living a joyful life **150 Years of Marriage** Ron Meinstein,Crystal Meinstein,2021-01-12 War Ends Love Endures The lives and stories of two WWII veterans and their baby boomer children show that love and marriage are able not only to endure but can thrive in shared happiness Ron and Crystal's anecdotes of humorous and moving childhood incidents coming of age stories falling in love moments wartime separation and cultural differences are as entertaining as they are practical Among the more somber yet crucial memories are witness accounts and records of victims of the Holocaust We will never forget The varied stories and examples in 150 Years of Marriage are not only interesting but provide insights and models for all To the characters in this book till death do us part is not a quaint saying associated with traditional marriage It is a commitment that creates strong bonds holding a family together through thick and thin It enables them to share happiness where whole family joy is greater than the sum of its parts Laugh cry think learn and be inspired for your own life and the lives of those you love **Geriatric Oncology** Arti Hurria,Lodovico Balducci,2009-07-14 Cancer and aging are integrally related Cancer incidence and mortality increase with age with most cancer diagnoses and deaths occurring in patients aged 65 and older The aging of the Baby Boomer population along with an overall increase in life expectancy points to a doubling of the U S population over age 65 by the year 2030 This demographic shift combined with the known association of cancer and aging is expected to bring about a rapid growth in the older cancer patient population It is clear that geriatric principles must become part of oncology care The evaluation and development of treatment recommendations for an older adult with cancer can be challenging for many reasons Tumor biology and response to therapy are affected by age In addition age related factors may impact treatment patterns tolerance and efficacy These age related factors include functional status declines comorbid conditions changes in cognitive function weakening of organ function decreases in physiologic reserve and faltering social support **Ungendering Technology** Carol J. Haddad,2019-07-10 This book offers fresh insight into women's mastery of technologies commonly associated with men with important implications for institutional efforts to identify and support technical proficiency among girls and women The work is structured across five original case studies featuring breast cancer survivors in Newfoundland who constructed a wooden dragon boat using hand and power tools Egyptian women who used information and communication technologies for political action during the

Revolution of 2011 pioneer female audio engineers in the United States working in live concert and studio venues U S female commercial airline pilots who mastered the complexity of flying large aircraft and a university educated woman working in sewer maintenance and repair for the City of Detroit in the 1970s The case studies capture women s own voices and present a range of historical and geographic locations A major contribution of this volume is the multidisciplinary analytical framework used to explain women s motivation to engage with non traditional technologies the role of peer and political support in encouraging persistence and informal as well as formal knowledge and skill acquisition Above all it is a story of women s empowerment individually and collectively This is a unique book suitable for undergraduates and graduates in the fields of Women s and Gender Studies Science Technology and Society STS Studies Engineering Education and Adult Education *Oncology Nursing Forum* ,1996 *What Happens in Couple Therapy* Douglas K. Snyder,Jay L. Lebow,2024-07-11 Bringing contemporary couple therapy to life this casebook candidly illustrates the whats whys and how tos of leading clinical approaches Well known contributors provide a window into their work with couples seeking help for a variety of relationship challenges Cases depict the moment by moment process of therapy from the initial assessment and case formulation through the beginning intermediate and concluding phases Themes addressed include working across cultural divides helping couples living with psychological or medical disorders and treating interfaith couples military couples and same sex and queer couples Enhancing the book s utility for course use the expert editors concisely introduce each case and describe how the approach fits into the broader field See also Lebow and Snyder s *Clinical Handbook of Couple Therapy* Sixth Edition which provides an authoritative overview of theory and practice
