Italianamerican Catherine Scorsese, Georgia Downard, 1996 Catherine Scorsese's tomato and meat sauce was probably the only recipe ever to receive full billing in the credits of a movie when Martin Scorsese starred the sauce and his parents in Italianamerican his favorite of all his films Now for the first time all the recipes from the family have been written down for this cookbook with photos and anecdotes that tell the story of three generations of Scorseses **Italianamerican** Catherine Scorsese, 1996 Catherine Scorsese's tomato and meat sauce was probably the only recipe ever to receive full billing in the credits of a movie when Martin Scorsese starred the sauce and his parents in Italianamerican his favorite of all his films Now for the first time all the recipes from the family have been written down for this cookbook with photos and anecdotes that tell the story of three generations of Scorseses *Martin Scorsese* Vincent LoBrutto, 2007-11-30 Martin Scorsese's current position in the international film community is unrivaled and his name has become synonymous with the highest standards of filmmaking excellence He is widely considered America's best living film director and his *Taxi Driver* and *Raging Bull* appear frequently on worldwide surveys of the best films of all time Here in the first biographical account of this artist's life Vincent LoBrutto traces Scorsese's Italian American heritage his strict Catholic upbringing the continuing role of religion in his life and art his obsessive love of cinema history and the powerful impact that the streets of New York City had on his personal life and his professional career Meanwhile the filmmaker's humble soft spoken public persona tells only part of the story and LoBrutto will delve into the other side of a complex and often tortured personality Scorsese's intense passion his private relationships his stormy marriages and his battles with drugs and depression are all chronicled here and in many cases for the first time In addition the book includes an interview with the director as well as filmographies cataloging his work as a director producer actor and presenter As his Best Director award at the 2007 Oscars clearly demonstrated Scorsese has become something like Hollywood royalty in recent years finally enjoying the insider status and favor that eluded him for most of his career But these recent developments aside Scorsese is also notable as a distinctly American type of artist one whose work created in a medium largely controlled by commercialism and marketing has always been unmistakably his own and who thus remains a touchstone of artistic integrity in American cinema In *Martin Scorsese A Biography* readers can examine not only the work of one of the form's genuine artists but also the forces that have propelled the man behind it

The Passion of Martin Scorsese Annette Wernblad, 2014-01-10 From his earliest shorts to his recent feature films *The Departed* and *Shutter Island* this book offers an in depth analysis of the deepest archetypal themes symbols and structures in Martin Scorsese's entire body of work It examines each of Scorsese's films as a mythological journey through which the main character is offered an opportunity for psychological and spiritual enlightenment focusing especially on how each character is led to recognize accept and embrace his or her flawed traits The book also explores the ways in which Scorsese's films incite extreme reactions and strike deep chords within his viewers particularly by speaking the language of the unconscious

and forcing readers to examine their own hidden flaws

Food and Nutrition/Editorial Advisers, Dayle Hayes, Rachel Laudan Dayle Hayes, Rachel Laudan, Martin Scorsese's Divine Comedy Catherine O'Brien, 2018-05-17 Catherine O'Brien draws on the structure of Dante Alighieri's Divine Comedy to explore Martin Scorsese's feature films from *Who's That Knocking at My Door* 1967-69 to *Silence* 2016 This is the first full length study to focus on the trajectory of faith and doubt during this period taking very seriously the oft quoted words of the director himself My whole life has been movies and religion That's it Nothing else Films discussed include *GoodFellas* *The Last Temptation of Christ* *Taxi Driver* and *Mean Streets* as well as the more recent *The Wolf of Wall Street* In Dante's poem in 100 cantos the Pilgrim is guided by the poet Virgil down through the circles of Hell in *Inferno* he then climbs the steep Mountain of the Seven Deadly Sins in *Purgatory* and he finally encounters God in *Paradise* Embracing this popular analogy this study envisions Scorsese as a contemporary Dante with his filmic oeuvre offering the dimensions of a cinematic Divine Comedy Drawing on debates at the heart of religious studies theology literature and film this book goes beyond existing explorations of religion in Scorsese's work to address issues of sin and salvation within the context of wider debates in eschatology and the afterlife
