Wounded Leaders Nick Duffell, 2016-08-24 Political leaders in Britain are consistently drawn from a class born to be educated away from their families in institutions elite boarding schools This has a direct effect on their

ability to love to relate to make good judgments and to develop the necessary leadership qualities for today's world. In this controversial and highly acclaimed book, the author guides the reader along the elite path through boarding school and Oxbridge to government, unpacking what he calls the Entitlement Illusion. Central to the Illusion is a uniquely British phenomenon: an industrialised process for turning out servants of the Empire that has been unwilling to change with the times. It was deified in the Victorian Rational Man Project and normalised by the British public who still buy into the trance. Up-to-date evidence from Neuroscience shows what a poor training for leadership this actually is. *Barefoot in the Boardroom* Shara Hutchinson, 2022-05-03 *Barefoot in the Boardroom* is a practical change management manual for executives looking for a proven methodology that can break down a huge vision into manageable chunks. Within *Barefoot in the Boardroom*, business leaders will find a vast array of proven techniques and strategies to apply. Shara Hutchinson's *Expose your Leadership Capacity* approach includes the nine leadership competencies needed to develop a high-performing team, while her encouragement of vision teaches leaders how to align their business strategy with their team, ensuring that they have the right people in the right seats to get the right results. Shara also introduces the Barefoot Method, which is her signature change management strategy that can be applied to any organization, team or department to ensure it is future-proofed. *Barefoot in the Boardroom* will challenge business professionals to break out of the box and innovate with the times.
