The House with the Mezzanine and Other Stories Anton Pavlovich Chekhov, 2021-01-13 Anton

Chekhov's *The house with the mezzanine* A Painter's story 1896 revolves around a rather despondent landscape painter staying on a friend's estate who gets into contact with a mother and her two quite different daughters Lydia Lida and Zhenya Missyuss Volchaninova living on a neighbouring estate in the titular house with the mezzanine Goodreads [The Night Visitor and Other Stories \(Esprios Classics\)](#) Arnold Bennett, 2019-09-17 Enoch Arnold Bennett was an English writer. He is best known as a novelist but he also worked in other fields such as the theatre, journalism, propaganda and films. Having wakened in the middle of the night, Anthony for some reason which he could not explain began to read the Bible. He was not by habit an ardent reader and particularly not an ardent reader of the Bible but he always kept a Bible on the table by his bedside in case he might feel a desire to read it and he never felt the desire. Now almost before being aware of the fact, lo, he was reading the Bible, the love story of Amnon and Tamar.

Reno (by the) in the Lake and Other Stories Jim Hartman, 2010-03-31 I guess in truth *Reno by the in the Lake* is my autobiography. Light. The material is indeed autobiographical in that little has been gleaned from any outside source and it is definitely light both in serious content and the serious nature often portrayed by an autobiography. So read on just for fun. Reno Beach was a magical place in the 1920s, 30s, 40s and 50s, a resort town that never really quite reached its prime. It had however attained great stature in the hearts and minds of all it entertained, especially in the imagination of a young boy who could see adventure even in the smallest buttonhole or banal blemish. In his mind, a vegetable garden became a wilderness plantation. An overturned rowboat became a fortress, a pirate's treasure cave or a magician's maudlin mansion. A willow tree, only recently uprooted by the wind and waves of an angry, possessive lake, trying desperately to reclaim its own, this became the perfect home for Tarzan Jimmie of the Apes. The fact that I'm even writing this book belies the fact that the place and that little boy still live if only in my imagination. The stories you're about to read are about that small waterfront community just east of Toledo, Ohio, on the western end of Lake Erie and how its life, death and frequent revitalizations affected the life of one small boy, namely me. The stories are absolutely true except as altered by an aging memory, wishful thinking and delusions of grandeur, not necessarily in that order and they represent some of the very best days of my life. I've been told that it's good to share your very best. I hope you enjoy reading my stories nearly as much as I enjoyed living them. The writing's been fun, too. Some names and places may have been altered to protect the innocent and/or the guilty but not many. Some may also be changed just because I've forgotten or don't really know what I'm talking about. Please forgive me. Many may recognize themselves, a friend or family member in some of these stories and each one probably deserves whatever treatment or attention they received, either good or bad. This book is intended to be a Bathroom Book. This is not a negative. For those unable to grasp this creative terminology, I provide the following explanation in the form of a prescription: Take in small doses. Continuous exposure could be hazardous.
