Jackie A Life In Pictures:

Jackie Yann-Brice Dherbier, Pierre-Henri Verlhac, 2004 This iconic volume features the most exquisite photographs ever taken of America's legendary First Lady. A sumptuous oversized edition, this 272-page book includes more than 250 glamorous, dramatic, and intimate images taken throughout her life, many never published before. Bringing readers into her exclusive and privileged world, *Jackie: A Life in Pictures* begins with her upper-class upbringing in the 30s and 40s and goes on to cover her courtship and marriage to JFK in 1953 and life as a politician's wife through to her post-JFK days as the wife of Aristotle Onassis.

Jackie James Spada, 2000-05-19 A legendary life shown in rare, mostly never before published photographs. Arguably the most famous woman of the century, certainly one of its most photographed, Jacqueline Bouvier Kennedy Onassis lived an astonishing life. Her popularity and the fascination she held for people the world over during her nearly sixty years in the spotlight can hardly be overestimated. And while that has led to a number of books about her, none has told her life story in the way this one does: entirely in photographs from birth to death, with lively anecdotal extended captions. Of the 251 photographs in this book, 165 have never been published; 58 have rarely been published in newspapers or magazines but never in book form; and 28 are inescapable images that have been seared into the memories of everyone. Together with the text that runs alongside them, these pictures tell the story of an American life that became legendary even while it was being lived, a story that will speak afresh to the hearts of all Americans.

AUTHOR BIO: JAMES SPADA is a writer and photographer who has written internationally bestselling biographies of Barbra Streisand, Bette Davis, Peter Lawford, Princess Grace of Monaco, and Robert Redford, among others.

New York Jackie Bridget Watson Payne, 2014-03-11 As familiar as we are with images of Jacqueline Kennedy Onassis, the charming former first lady, fewer know the dynamic woman who called New York City home. Shortly after JFK's assassination in 1964, Jackie moved to Manhattan and lived there for the next three decades. This intimate collection of photographs celebrates her life in the city as a mother, book editor, style icon, and most of all, a New Yorker. Eating ice cream with her kids on Fifth Avenue, working with authors at Doubleday Books, riding her bike through Central Park—these images capture the real-life joy, creative passion, and effortless grace of New York Jackie.

Life Among the Cannibals David Marshall, Staff Member of the UN Human Rights Office, David Marshall, 2009-03 Picking up where the first volume of Ms. Monroe's bestselling memoirs left off, *Life Among the Cannibals* continues the story of the late star's life and times, ending with her death and funeral in October 2003. Following Monroe through the tumultuous years of political upheaval, assassination, and her own personal triumphs, this second volume explains how she earned her a spot on President Nixon's Enemies List, which film projects she took on, and how she became known not as the sex symbol of the Fifties but as Hollywood's Conscience. Having been granted unprecedented access to the late star's papers by authorization of her family,

this second volume of Marilyn Monroe's biography is the culmination of two and a half years of intensive research including interviews with many of her costars, family members and such notables as Hillary Clinton, Jane Fonda and Aaron Sorkin. The result is a detailed look at Monroe's response to the Vietnam War, the Civil Rights and Women's Movements as well as her role in the AIDS crisis and her growing interest in politics. Along the way she meets with such figures as Nancy Reagan, Janis Joplin, Mikhail Gorbachev, Dick Cavett, Kitty Kelley, Pat Nixon and Peter Bogdanovich. *Life Among the Cannibals: The Life and Times of Marilyn Monroe 1962-2003* puts an end to the innuendo and speculation surrounding the life and career of one of America's most beloved figures. David's book is absolutely terrific and well deserves a space on your book shelves. Buy this book now. I promise you won't be disappointed.

Michelle Morgan, *Marilyn Monroe: Private and Undisclosed*, David Marshall writes with sensitivity and an eye for changing times instead of mourning what was lost. Marshall celebrates what should have been. With this highly entertaining book, Marshall gives Marilyn Monroe the second act she surely deserved.

Tara Hanks, *The Mmm Girl*, David Marshall is the author of *The DD Group: An Online Investigation into the Death of Marilyn Monroe*. He lives in San Francisco.
