The Complete Jacob Lawrence Peter Nesbett, Michelle DuBois, 2000-10-01 Born in 1917 Jacob Lawrence spent his childhood in New York City attending classes at the Harlem Community Art Center and the American Artists School and later working for the Federal Art Project While still in his twenties Lawrence exhibited his paintings at major museums across the country including the Phillips Collection the Metropolitan Museum of Art the Art Institute of Chicago and the Museum of Modern Art in New York where he became the first African American artist to have work represented in the permanent collection He lived painted and taught in New York City until 1971 when he joined the faculty of the University of Washington He is the recipient of numerous awards including the National Medal of Arts The Great Migration Jacob

Lawrence, 1995-09-15 Around the time of WWI large numbers of African Americans began leaving their homes in the rural South in search of employment in the industrial cities of the North In 1940 Lawrence chronicled their journey of hope in a flowing narrative sequence of paintings This stirring picture book brings together the sixty panels of Lawrence s epic narrative Migration series which he created in 1940 1941 They tell of the journey of African Americans who left their homes in the South around World War I and traveled in search of better lives in the northern industrial cities Lawrence is a storyteller with words as well as pictures his captions and introduction to this book are the best commentary on his work A poem at the end by Walter Dean Myers also reveals as do the paintings the universal in the particulars BL Notable Children s Books of 1994 ALA 1993 Books for Youth Editors Choices BL 1994 Teachers Choices IRA Notable 1994 Childrens Trade Books in Social Studies NCSS CBC 1994 Carter G Woodson Outstanding Merit Book NCSS 1994 Books for the Teen Age NY Public Library *Officers and Graduates of Columbia University* Columbia University, 1900 Officers and Graduates of Columbia College, Originally the College of the Province of New York Known as King's College Columbia University, 1900

The Inner City Thomas D. Boston, Catherine Ross, 2017-07-12 Michael Porter has argued that a sustainable economic base can be created in the inner city only if it has been created elsewhere through private for profit initiatives and investment based on economic self interest and genuine competitive advantage not through artificial inducements charity or government Porter s ideas have prompted endorsement as well as criticism More importantly they have inspired a search for new solutions to inner city distress as well as a reassessment of current approaches The Inner City defines a core debate in the United States over the future of a racially divided urban America It is of inestimable importance to policy analysts government officials African American studies scholars urban studies specialists sociologists and all those concerned with inner city revitalization *The Humanities in City Planning* Martin Krieger, 2024-10-28 This book by preeminent planning

theorist Martin H Krieger explores how cities are much more than their economies demographics or geographies Planning today is dominated by social science but Kreiger takes a different approach thinking of city planning in terms of Culture Uncertainty and Visuality The chapters explore planners and their role as protagonist in the humanities of literature and history the inevitability of uncertainty in planning and how to face it and how to attend to the physical visual and aural environment of the city Through a series of essays Krieger shows that cities are cultural and meaningful that they are contingent and so filled with opportunity and that they are concrete particular and encountered The Humanities in City Planning will be of interest to students and scholars of the humanities and planning looking for alternative ways of viewing the city

City of Islands Tammy L. Brown, 2015-09-02 Tammy L Brown uses the life stories of Caribbean intellectuals as windows into the dynamic history of immigration to New York and the long battle for racial equality in modern America The majority of the 150 000 black immigrants who arrived in the United States during the first wave of Caribbean immigration to New York hailed from the English speaking Caribbean mainly Jamaica Barbados and Trinidad Arriving at the height of the Industrial Revolution and a new era in black culture and progress these black immigrants dreamed of a more prosperous future However northern style Jim Crow hindered their upward social mobility In response Caribbean intellectuals delivered speeches and sermons wrote poetry and novels and created performance art pieces challenging the racism that impeded their success Brown traces the influences of religion as revealed at Unitarian minister Ethelred Brown's Harlem Community Church and in Richard B Moore's fiery speeches on Harlem street corners during the age of the New Negro She investigates the role of performance art and Pearl Primus's declaration that dance is a weapon for social change during the long civil rights movement Shirley Chisholm's advocacy for women and all working class Americans in the House of Representatives and as a presidential candidate during the peak of the Feminist Movement moves the book into more overt politics Novelist Paule Marshall's insistence that black immigrant women be seen and heard in the realm of American Arts and Letters at the advent of multiculturalism reveals the power of literature The wide ranging styles of Caribbean campaigns for social justice reflect the expansive imaginations and individual life stories of each intellectual Brown studies In addition to deepening our understanding of the long battle for racial equality in America these life stories reveal the powerful interplay between personal and public politics

U.S. Museum Histories and the Politics of Interpretation Laura Schiavo, 2023-12-08 U S Museum Histories and the Politics of Interpretation is the first collection to examine the history of museums in the United States through the lens of the political and ideological underpinnings at the heart of exhibitions collecting and programming

Including contributions from historians art historians anthropologists academics and museum professionals the book argues that museums have always been embedded in the politics and culture of their time whether that means a reification of hegemonic notions of race gender and progress or a challenge to those normative structures Contributions probe the political nature of collection and interpretation as concept and practice and museum work as both reflective of and contributing to the politics and circulation of power in different historical moments As a whole the volume provides detailed readings of museums that demonstrate the ways in which these trusted cultural institutions have intervened in shifting concepts of nation community indigeneity race citizenship inclusion identity localism and memory U S Museum Histories and the Politics of Interpretation makes arguments about the historically and politically rooted nature of cultural production in museums that apply to institutions across the globe It is essential reading for students and scholars of museum studies public history cultural history art history and memory
