Ethnic Media in the Digital Age Sherry S. Yu,Matthew D. Matsaganis,2018-12-07 Ethnic media are media produced for and frequently by immigrants ethnic and linguistic minority groups and indigenous populations These media represent a sector of the broader media industry that has seen considerable growth globally even while many mainstream legacy media have struggled to survive or have ceased to exist largely due to the emergence of new communication technologies What is missing in the literature is a careful examination of ethnic media in the digital age The original research including case studies in this book provides insight into 1 what new trends are emerging in ethnic media production and consumption 2 how ethnic media are adapting to changing technologies in the media landscape of our times and 3 what enduring roles ethnic media perform in local communities and in an increasingly globalized world The ethnic media that contributors discuss in this book are produced for and distributed across a variety of platforms ranging from broadcasting and print to online platforms Additionally these media serve numerous immigrant ethnic and indigenous communities who live in and trace their origins back to a variety of regions of the world including Africa Asia Europe North America and Oceania **Digital**

Political Communication Strategies Berta García-Orosa,2021-11-25 This book with a foreword by Manuel Castells explores the core strategies of digital political communication It reviews the field s evolution over the past 25 years and examines the coexistence of old and new actors lobbyists citizens parliaments political parties media outlets digital platforms among others as well as hybrid communication tactics Topics covered include frames fake news filter bubbles echo chambers artificial intelligence the significance of emotions and engagement with citizens As we find ourselves in the fourth wave of digital communication and in the wake of a pandemic which has shaken the foundations of political communication an evaluation of these topics is essential to the reinvention of democracy The book is geared towards students and researchers who wish to delve into the latest trends in digital communication political communication actors and journalists It further aims to prepare citizens to effectively deal with messaging that blurs the line between truth and falsehood with increasingly powerful strategies supported by artificial intelligence **The Future of Journalism: Risks, Threats and Opportunities**

Stuart Allan,Cynthia Carter,Stephen Cushion,Lina Dencik,Inaki Garcia-Blanco,Janet Harris,Richard Sambrook,Karin Wahl-Jorgensen,Andy Williams,2020-04-28 This volume draws together research originally presented at the 2015 Future of Journalism conference at Cardiff University UK The conference theme Risks Threats and Opportunities highlighted five areas of particular concern for discussion and debate The first of these areas Journalism and Social Media explores how journalism and the role of the journalist are being redefined in the digital age of social networking crowd sourcing and big data and how the influence of media like Twitter Facebook YouTube Instagram and Reddit affects the gathering reporting or consumption of news Journalists at Risk assesses the key issues surrounding journalists safety and their right to report as news

organizations and their sources are increasingly targeted in war conflict or crisis situations The third area Journalism Under Surveillance asks what freedom of the press means in a post Snowden climate What are the new forms of censorship confronting journalism today and what emergent tactics will help it to speak truth to power Journalism and the Fifth Estate examines the traditional ideals of the fourth estate which risk looking outdated if not obsolete in the modern world How much can we rely on citizen media to produce alternative forms of news reporting and how can we reform mainstream media institutions to make them more open transparent and accountable to the public The final area Journalism's Values asks how journalism's ethical principles and moral standards are evolving in relation to the democratic cultures of communities locally regionally nationally or internationally What are the implications of changing priorities for the education training and employment of tomorrow's journalists Every chapter in this volume engages with a pressing issue for the future of journalism offering an original thought provoking perspective intended to help facilitate further dialogue and debate The chapters in this book were originally published in special issues of Digital Journalism Journalism Practice and Journalism Studies

Reporting the Courts Richard Jones, 2024-12-04 This book makes a critical intervention into debates about journalism and the crisis in local news Interrogating the history and current practice of court coverage in the UK the author argues for its importance as a central feature of both open justice and public interest reporting The book challenges narratives of a decline in the perceived quality of local media Yet it also highlights a reliance on major local press companies facing acute financial challenges meaning court reporting faces a potentially precarious future The book critically examines coverage of the courts in the context of financial crises which have diminished both newspapers and the criminal justice system How the norms of court journalism emerged and evolved are put under scrutiny and the book then considers how court reporting is practiced today including the use of cameras and social media as well as remote hearings during and since the pandemic The author takes us inside a major murder trial and explores why court reporting remains worth preserving and enhancing Offering recommendations which could help to maintain and extend coverage of the courts this volume will interest students and scholars of journalism mass communication media studies media law and communication studies

Pulling Newspapers Apart Bob Franklin, 2008-03-07 *Pulling Newspapers Apart* Analysing Print Journalism explores contemporary UK national and local newspapers at a significant and pivotal moment in their development when some pundits are busily if mistakenly announcing their demise The book offers a detailed examination of features which previous studies have tended to neglect such as editorial formats aspects of newspaper design newspaper contents as well as the content of newspapers which is not generated by in house journalists

The Mediated City Stephen Coleman, Nancy Thumim, Chris Birchall, Julie Firmstone, Giles Moss, Katy Parry, Judith Stamper, Jay G. Blumler, 2016-08-15 How does news circulate in a major post industrial city And how in turn are identities and differences formed and mediated through this circulation This seminal work is the first to offer an empirical examination and trace a city's pattern of news circulation Encompassing a comprehensive

range of practices involved in producing circulating and consuming news and recognizing the various ways in which individuals and groups may find out follow and discuss local issues and events The Mediated City critiques thinking that takes the centrality of certain news media as an unquestioned starting point By doing so it opens up a discussion do we know what news is What types of media constitute it And why does it matter
