International Quilt Study Center, 2015 **The Log Cabin** Andrew Belonsky, 2017-11-17 A stunning image driven examination of the uniquely American symbol of home and hearth BuzzFeed Books Gift Guide Lavishly illustrated this book by a Cincinnati native tells the story of America through its iconic structure the log cabin In lively prose Columbus Dispatch The perfect holiday gift for grown ups who graduated past Lincoln Logs Mother News Network Like a wooden security blanket that Americans reach for when times get tough the log cabin has endured as a uniquely American symbol of home and hearth This strain of cabin fever is no fleeting trend It has struck at regular intervals since the early 1900s when log cabin vacations first became an option for an increasingly mobile America Now the cozy cabin aesthetic is found like a collective fantasy in every corner of our national culture But how did it all begin This is an image driven history of log cabins in America Exploring the log cabin s hidden past this book draws on colonial diaries and journalistic accounts as well as paintings illustrations and graphics to show how the log cabin once derided as a poor immigrant s hovel became an American institution and a modern ambition Bursting with quirk charm and fascinating trivia The Log Cabin in America Clinton Alfred Weslager, 1969 Although the log cabin is widely believed to be the one expression of indigenous American architecture it is in fact of European origin having been first introduced in the New World by Swedes and Finns who settled the lower Delaware Valley in the seventeenth century Log buildings were unknown to the English colonists of Jamestown Plymouth and St Marys or the Dutch founders of New Amsterdam who built the kinds of dwellings they had known in their homelands Because it was perfectly adapted to the needs and resources of pioneers as they advanced the American frontier south and west through forests and across mountains the log house became the means whereby a man could keep moving and yet maintain a home and family and much of America s history can be traced in the cabins left behind in the westward trek book jacket *Northern Log Cabins and Cottages* Northern Log Cabin Company, 1929 **Log Cabin Society of Michigan Collection** Log Cabin Society of Michigan, 1987 Materials of the society includes Log Cabin News 1996 2012 and annual festival publications 1987 2004 *Not Your Grandmother's Log Cabin* Sara Nephew, 2008 **My Year in a Log Cabin (Classic Reprint)** W. D. Howells, 2016-06-22 Excerpt from My Year in a Log Cabin He had a passion for nature as tender and genuine and as deeply moralized as that of the English poets by whom it had been nourished and he taught us children all that he felt for the woods and fields and open skies all our walks had led into them and under them It was the fond dream of his boys to realize the trials and privations which he had painted for them in such rosy hues and even if the only clap boarded dwelling on the property had not been occupied by the miller we should have disdained it for the log cabin in which we took up our home till we could build a new house About the Publisher Forgotten Books publishes hundreds
