His Last Log (Classic Reprint) Morgan S. Woodward, 2016-06-21 Excerpt from His Last Log Were this its only merit the log would hardly merit publication for it is simply the record of a ying trip over the beaten highways of European travel Mr Woodward probably saw nothing that had not been seen and described ad museum by every American sight seer who has had his little ing of travel and come home to in ict upon his long suffering compatriots his impressions of Europe But there is a difference between seeing and observing Mr Woodward s log is an exceptional tale of travel not because he traveled over so much ground in so short a time but because he observed so much of what he saw and recorded so minutely accurately and entertainingly so much of what he observed About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
