## **Lombard Hollywood Legends:**

*Clark Gable & Carole Lombard* , *Cary Grant, the Making of a Hollywood Legend* Mark Glancy, 2020-09-15 A definitive new account of the professional and personal life of one of Hollywood's most unforgettable influential stars Archie Leach was a poorly educated working class boy from a troubled family living in the backstreets of Bristol Cary Grant was Hollywood's most debonair film star the embodiment of worldly sophistication Cary Grant *The Making of a Hollywood Legend* tells the incredible story of how a sad neglected boy became the suave glamorous star many know and idolize The first biography to be based on Grant's own personal papers this book takes us on a fascinating journey from the actor's difficult childhood through years of struggle in music halls and vaudeville a hit and miss career in Broadway musicals and three decades of film stardom during Hollywood's golden age Leaving no stone unturned Cary Grant delves into all aspects of Grant's life from the bitter realities of his impoverished childhood to his trailblazing role in Hollywood as a film star who defied the studio system and took control of his own career Highlighting Grant's genius as an actor and a filmmaker author Mark Glancy examines the crucial contributions Grant made to such classic films as *Bringing Up Baby* 1938 *The Philadelphia Story* 1940 *Notorious* 1946 *An Affair to Remember* 1957 *North by Northwest* 1959 *Charade* 1963 and *Father Goose* 1964 Glancy also explores Grant's private life with new candor and insight throughout the book's nine sections illuminating how Grant's search for happiness and fulfillment lead him to having his first child at the age of 62 and embarking on his fifth marriage at the age of 77 With this biography complete with a chronological filmography of the actor's work Glancy provides a definitive account of the professional and personal life of one of Hollywood's most unforgettable influential stars **American Legends** Charles River Charles River Editors, 2013-12-06 Includes pictures Includes Lombard's quotes about her life and career Includes a bibliography for further reading Carole Lombard's tragic death means that something of gaiety and beauty have been taken from the world at a time they are needed most Errol Flynn A lot of ink has been spilled covering the lives of history's most influential figures but how much of the forest is lost for the trees In Charles River Editors' *American Legends* series readers can get caught up to speed on the lives of America's most important men and women in the time it takes to finish a commute while learning interesting facts long forgotten or never known On January 16 1942 just a few weeks after Pearl Harbor brought the United States into World War II the nation suffered what were considered the first civilian deaths of the war when a plane crashed into the side of a mountain southwest of Las Vegas Aboard the plane were 15 servicemen but the plane was also carrying one of Hollywood's biggest stars actress Carole Lombard Although Lombard's death and her marriage to *Gone With the Wind* star Clark Gable have overshadowed her career her untimely death in 1942 cut short the life of one of Hollywood's most prominent stars at the time In fact Lombard's platinum look and her unique mannerisms had helped her become the biggest star of the screwball genre by the end of the 1930s and her movies were so successful that she was the highest paid actress in Hollywood by the start of the 1940s As English critic Graham Greene said of her Platinum blonde with

a heart shaped face delicate impish features and a figure made to be swathed in silver lam Lombard wriggled expressively through such classics of hysteria as Twentieth Century and My Man Godfrey Indeed despite dying at the age of 33 the American Film Institute recognized her as one of the biggest film icons of the 20th century Lombard has been memorialized in many fitting ways as an actress but one of her biggest contributions to Hollywood was the blond archetype that the film industry used successfully for decades in screwball comedies paving the way for the success of women like Marilyn Monroe Perhaps the most remarkable aspect of that fact is that it was actually based on Carole s gushing personality As famous director Howard Hawks noted of her She acted like a schoolgirl and she was stiff she would try and imagine a character and then act according to her imaginings instead of being herself When Lombard started simply portraying herself Hawks told actor John Barrymore Y ou ve just seen a girl that s probably going to be big a star and if we can just keep her from acting we ll have a hell of a picture American Legends The Life of Carole Lombard examines the life and career of one of the Golden Era of Hollywood s biggest stars Along with pictures of important people places and events you will learn about Carole Lombard like never before in no time at all
