*London* Michael Robinson, 2012 Take a virtual tour of London with this book Divided into sections covering historical London parks and gardens landmarks transport and much more from Trafalgar Square to Charles Dickens house the stunning photography and informative text make this the ideal gift or souvenir for Londonophiles **London's Secret Square Mile** David Long, 2011-11-30 The streetscape of London's historic square mile has been evolving for centuries but the City's busy commercial heart still boasts an extensive network of narrow passages and alleyways secret squares and half hidden courtyards Using his wealth of local knowledge historian David Long guides you through these ancient rights of passage many dating back to medieval times or earlier their evocative names recalling old taverns notable individuals and City traditions Hidden behind the glass steel and stone of London's banks and big business these survivors of modern development bear witness to nearly 2 000 years of British history **The Secret Lore of London** Nigel Pennick, John Matthews, Caroline Wise, 2016-03-24 With a foreword by Iain Sinclair London is an ancient city whose foundation dates back literally thousands of years into the legendary prehistory of these islands Not surprisingly it has accumulated a large number of stories both historic and mythical during this period many of which though faithfully recorded at the time have lain almost forgotten in dusty libraries throughout the city The Secret Lore of London is a guide to the legends including a discussion of their importance as part of the oral tradition of Britain combining Prehistoric Celtic Arthurian Roman Saxon and Norman levels each of which has contributed to the many layered life of the city The first part contains a unique selection of essays some printed here for the first time by experts in their fields each of whom possesses a unique interest in the legends of these islands and who have written widely on associated themes The second part of the book will consist of a Gazetteer of the sites mentioned which are still in existence together with various other sites of associated interest compiled by the Editor the contributors and members of the London Earth Mysteries Group This part will be fully updated and extended to include many more sites The result is a wide ranging and wholly fascinating book with wide sales application possible A series of appendixes will include William Stukley's extraordinary document The Brill which relates to the ancient prehistoric sites around the area of present day St Pancras and excerpts from some of the best known 19th and early 20th century works on Legendary London by Lewis Spence and Harold Bayley Contributors to the book are Nigel Pennick John Matthews Caroline Wise Caitlín Matthews Carol Clancy R J Stewart Bernard Nesfield Cookson Gareth Knight Robert Stephenson Geraldine Beskin Chesca Potter William Stukeley Lewis Spence Harold Bayley Alan V Insole Ross Nichols **London's Sinful Secret** Dan Cruickshank, 2010-11-23 Georgian London evokes images of elegant mannered buildings but it was also a city where prostitution was rife and houses of ill repute widespread in a sex trade that employed thousands In London's Sinful Secret Dan Cruickshank explores this erotic Georgian underworld and shows how it affected almost every aspect of life and culture in the city from the smart new streets that sprang up in Marylebone to the squalid alleys around Charing Cross to the coffee

houses where prostitutes plied their trade to the work of artists such as William Hogarth and Joshua Reynolds Cruickshank uses memoirs newspaper accounts and court records to create a surprisingly bawdy portrait of London at its most mannered and for the first time exposes its secret sinful underside A lively work of social history full of surprises and memorable characters Kirkus Reviews      Secret Cinema and the immersive experience industry Sarah Atkinson,Helen W. Kennedy,2022-12-06 This book presents a comprehensive history and analysis of Secret Cinema the leading producer of large scale immersive experiences in the UK It examines how the company has evolved over twelve years from an experimental and artisanal organisation to a global leader in the field The book focuses on the UK in late 2019 a point at which the immersive sector had grown significantly through its increasing contribution to GDP and its widespread recognition as a legitimate cultural offering It captures an organisation and a sector transitioning from marginal and subcultural roots to a commodifiable and commercial form now with recognisable professional roles and practices which has contributed to the establishment of an immersive experience industry of national importance and global reach      The London Theatre.
