Lonely Planet Australia 15th Ed 15th Edition By Lonely Planet Nov 1 2009:

Understanding Young Chinese Backpackers Jia Xie, 2021-07-26 An activity that originated in Western societies backpacking has gained increasing popularity among Chinese millennials In a spirit of the search for self young Chinese backpackers have sought to display their pursuit of freedom independence and responsibility within an increasingly individualised society through backpacking This volume investigates contemporary young Chinese persons views on backpacking culture and backpackers A group of Chinese backpackers are studied using interview and participant observation and focus groups are conducted to study young professionals and university students attitudes towards backpacking The results indicate a profound cultural change along with a degree of division On the one hand the backpackers often begin their journey due to a desire to pursue freedom and use the pursuit as a process of reflexive awareness on the other hand the risks of pursuing a freewheeling lifestyle within an individualised society drive the majority of them to return home The author concludes that this phenomenon is a kind of staged individualism describing how Chinese millennials strike a balance between individual interests and wider social obligations Students and scholars of sociology tourism and youth culture will be interested in this volume

***Understanding Global Cultures* Martin J.**

Gannon, Rajnandini Pillai, 2015-02-16 In the fully updated Sixth Edition of *Understanding Global Cultures* Metaphorical Journeys Through 34 Nations Clusters of Nations Continents and Diversity authors Martin J Gannon and Rajnandini Pillai present the cultural metaphor as a method for understanding the cultural mindsets of individual nations clusters of nations continents and diversity in each nation A cultural metaphor is any activity phenomenon or institution that members of a given culture consider important and with which they identify emotionally and or cognitively such as the Japanese garden and American football This cultural metaphoric approach identifies three to eight unique or distinctive features of each cultural metaphor and then discusses 34 national cultures in terms of these features The book demonstrates how metaphors are guidelines to help outsiders quickly understand what members of a culture consider important

Saving the Security State

Inderpal Grewal, 2017-10-27 In *Saving the Security State* Inderpal Grewal traces the changing relations between the US state and its citizens in an era she calls advanced neoliberalism Marked by the decline of US geopolitical power endless war and increasing surveillance advanced neoliberalism militarizes everyday life while producing the exceptional citizens primarily white Christian men who reinforce the security state as they claim responsibility for protecting the country from racialized others Under advanced neoliberalism Grewal shows others in the United States strive to become exceptional by participating in humanitarian projects that compensate for the security state s inability to provide for the welfare of its citizens In her analyses of microfinance programs in the global South security moms the murders at a Sikh temple in Wisconsin and the post 9 11 crackdown on Muslim charities Grewal exposes the fissures and contradictions at the heart of the US neoliberal empire and the centrality of race gender and religion to the securitized state

***Ecotourism* Stephen Wearing, John Neil, 2009-04-09**

Ecotourism Impacts Potentials and Possibilities analyzes the impacts of mainstream tourism in first second and third world countries and argues the benefits of adopting the philosophical approaches of ecotourism to create a more sustainable tourism industry in every country around the world Conservation and ecotourism issues are now at the forefront of public opinion The decline of natural rainforests loss of endangered species global warming and land degradation have galvanized public support for conservation Building on the success of the first edition this text has been fully revised and updated to include updated and new international case studies a new chapter devoted to the theory and technique of Rapid Rural Appraisal the practice whereby communities are empowered to improve their own environment questions and further readings at the end of each chapter to facilitate student s learning critical analysis of ecotourism explores the movement of ideas around post modern approaches to the field Using relevant case studies Ecotourism examines the potential positive social and environmental benefits of ecotourism and is ideal for both students of tourism and practitioners within the tourism industry Ecotourism will also be of interest to environmental groups land managers academics and planners

Inside Terrorism Bruce Hoffman, 2017-09-05 Bruce Hoffman s *Inside Terrorism* has remained the seminal work for understanding the historical evolution of terrorism and the terrorist mind set In this revised third edition of his classic text Hoffman analyzes the latest developments in global terrorism offering insight into new adversaries motivations strategies and tactics He focuses on the rise of ISIS and the resilience of al Qaeda terrorist exploitation of the Internet and embrace of social media radicalization of foreign fighters and potential future trends including the repercussions of a post caliphate ISIS Hoffman examines the demographics of contemporary terrorist leaders and recruits the continued use of suicide bombers and the likelihood of a chemical biological radiological or nuclear terrorist strike He also considers the resurgence of violent antigovernment militants including white supremacists and opponents of abortion He argues that the war on terrorism did not end with Osama bin Laden s death and that ongoing instability and strife in Syria Iraq Afghanistan Libya and Yemen among other places will both sustain terrorist movements and have broad implications for domestic and international security around the globe
