Lonesome Traveler Jack Kerouac:

Lonesome Traveler Jack Kerouac, 2007-12-01 From the acclaimed Beat writer Jack Kerouac's unique collection of personal travel writing now reissued following his centenary celebration In his first directly autobiographical book Jack Kerouac relates the exhilarating stories of the years he spent restlessly traveling and writing his acclaimed novels He journeys from the California deserts crisscrossed by train tracks to the bullfights of Mexico to the Beat nightlife of New York City and across the Atlantic to Paris Morocco and London With echoes of landscapes that appear in his other novels including *The Dharma Bums* and *Desolation Angels* and featuring his distinctive exuberant style and jazzy impressionistic prose New Yorker *Lonesome Traveler* is a unique addition to Kerouac's body of work

Lonesome Traveller Jack Kerouac, 1972 In his first frankly autobiographical work Jack Kerouac tells the exhilarating story of the years when he was writing the books that captivated and infuriated the public restless years of wandering during which he worked as a railway brakeman in California a steward on a tramp steamer and a fire lookout on the crest of Desolation Peak in the Cascade Mountains

Jack Kerouac's Duluo Legend James T. Jones, 1999 Noting that even casual readers recognize family relationships as the basis for Kerouac's autobiographical prose Jones discusses these relationships in terms of Freud's notion of the Oedipus complex

BOOK JACKET Lonesome traveller Jack Kerouac, 1981-01 *Lonesome Traveler* Jack Kerouac, 1960 Rethinking Kerouac Erik Mortenson, Tomasz Sawczuk, 2024-12-12 This long overdue reevaluation of Jack Kerouac gives fresh perspectives on his unique literary output his vexed relation to issues of race class and gender as well as his continuing cultural afterlife This collection of essays by esteemed Beat commentators reassesses one of the 20th century's most emblematic but often misunderstood American writers Despite amassing a substantial body of influential work and becoming a recognizable icon globally Kerouac has often suffered critical neglect and this volume seeks to offer a range of fresh perspectives on his unique artistic output as well as his continuing cultural afterlife Through an examination of classic texts like *On the Road* to more obscure ones like *Pic* these essays recalibrate our understanding of the writer by placing his creative output into dialogue with current cultural issues to provide a rethinking of how concerns such as race gender relations artificial intelligence populist rhetoric and queerness inform his work and its contemporary reception These essays also examine how the peculiarities of global circulation and social media influence the ongoing cultural appropriation of Kerouac in popular music literature and online Through these varied approaches *Rethinking Kerouac Afterlives Continuities* Reappraisals provides an indispensable account of the continued relevance of both Kerouac the writer and Kerouac the cultural icon in the 21st century

The Role of Jack Kerouac's Identity in the Development of his Poetics Stefano Maffina, 2012-06-01 This work revolves round the analysis of Jack Kerouac's complex identity and his main artistic inspirations Even though the writer was born in Lowell MA he was raised in a Franco American family with strong bonds with the Quebec region The resultant split identity led to deep existential doubts that Kerouac was never able to overcome

However the awareness of his cultural dichotomy proved extremely important for his own work Indeed the Beat author was able to reach an original poetics which was inspired by both American and French writers Despite Kerouac s innovative style and writing method an analysis of the artists who influenced his work could help contextualize and better understand his literary and linguistic genius *Delphi Complete Works of Jack Kerouac (Illustrated)* Jack Kerouac,2023-03-08 Jack Kerouac was an American novelist poet and leader of the Beat movement His iconic masterpiece *On the Road* exacted a broad cultural influence capturing the spirit of its time as no other work of the 20th century had done since *The Great Gatsby* Kerouac s insistence upon First thought best thought and his refusal to revise was controversial He deemed revision as a form of literary lying imposing a form farther away from the truth of the moment His novels reveal a quest for pure unadulterated language the truth of the heart unobstructed by the lying of revision His technique demonstrates an unusual writing style neither haphazard nor sloppy but systematic in the most individualised sense For the first time in publishing history this eBook presents Kerouac s complete fictional works with numerous illustrations rare texts appearing in digital print for the first time informative introductions and bonus material Version 1 Beautifully illustrated with images relating to Kerouac s life and works Concise introductions to the major texts All 15 novels and novellas with individual contents tables Features rare novels appearing for the first time in digital publishing Images of how the books were first published giving your eReader a taste of the original texts Excellent formatting of the texts Rare poetry texts Easily locate the poems you want to read Includes Kerouac s seminal non fiction collection *Lonesome Traveler* Ordering of texts into chronological order and genres Please note the poetry published after Kerouac s death cannot appear in this edition due to copyright restrictions

Hard to Be a Saint in the City Robert Inchausti,2018-01-30 An exploration of Beat spirituality seen through excerpts from the writings of the seminal writers of Beat Generation themselves It s been said that Jack Kerouac made it cool to be a thinking person seeking a spiritual experience And there is no doubt that the writers he knew and inspired iconic figures like Allen Ginsberg William S Burroughs Gary Snyder and Michael McClure were thinkers seeking exactly that In this re claiming of their vision Robert Inchausti explores the Beat canon to reveal that the movement was at heart a spiritual one It goes deeper than the Buddhism with which many of the key figures became identified It s about their shared perception of an existence in which the Divine reveals itself in the ordinary Theirs is a spirituality where real life triumphs over airy ideals and personal authenticity becomes both the content and the vehicle for a kind of refurbished American Transcendentalism
