the condensed version of my life It contains the things I can remember most about what has occurred in my life It is in effect  
the autobiography of Jonathan Daniel Beckmon which is my full legal name given to me by my parents Raymond Beckmon  
and Linda Helms her maiden name and assigned to me in the United States of America where I was born At my current stage  
of life my only real goal is to get married I have been looking for a suitable spouse for at least 15 years as of the time this  
book is being published with no luck Its very hard to find a decent moral woman with the current state of our society and  
general lack of moral values in the United States of America I honestly feel that had I been born in Russia I would have been  
married long ago I had much better luck finding women there that were interested in my qualities and that were decent  
human beings However I have only managed to make it to Russia once as it is beyond my current financial means to go there
