**African Memoirs and Cultural Representations** Toyin Falola, 2023-02-14 Traditions and cultures represent a set of persisting or prevailing beliefs, social practices, oral, linguistic, and values that define an individual's way of life. In other words, in memoir writing, the emphasis is often to propagate a unilateral need or embrace of self-identity. However, the dominant narrative and method of analysis in this study holds the notion and privileges that tradition and cultures imbibed by memoirists are sometimes subverted, refashioned, or reworked due to the strand of experiences or realities they encounter in different spaces as their narration develops. Thus, memoirists embrace indifference and open-mindedness, which is also greatly explored in the context of autobiography.

*The Night Is Normal* Chole, Alicia Britt Chole, 2023 It's unnerving, isn't it? When our faith feels ungrounded, untethered, unreal. When our certainty is adrift as though an undercurrent has pulled us away from shore into the deep into the darkness. This is disillusionment. This is spiritual pain. And if this is you, please know that you are not alone. And you are not as far away from safety as you may feel or fear. Though faith shines best in full sun, it grows deep in the dark. The night is not your enemy. In fact, the night is necessary. In *The Night Is Normal*, revered author, speaker, and mentor Dr. Alicia Britt Chole offers a groundbreaking perspective that reveals spiritual disillusionment as an unexpected friend. Within these sacred pages, you'll explore how night faith develops within your soul, something far more satisfying than understanding and far more powerful than peace. Whether you're disillusioned with God, yourself, or others, Alicia offers practical and soul-full tools to help you navigate the night and find your way to a livable and love-saturated hope. Your night will not last forever. Within it

Youth Ministry 3.0 Mark Oestreicher, 2008-11-04. Over the past several decades there have been three significant shifts in youth culture, each new shift brought with it different values and priorities in the lives of teens. Youth ministries adapted and responded to the first two shifts, but we're missing the boat on the third. The result: Youth ministry isn't addressing the realities and needs of today's youth culture. After nearly three decades in youth ministry, Mark Oestreicher has lived through a lot of those shifts himself. In recent years, he's found himself wondering what needs to change, especially since so much of what we're doing in youth ministry today is not working. In *Youth Ministry 3.0*, youth workers will explore along with Marko and the voices of other youth workers why we need change in youth ministry, from a ministry moving away from a dependence on programs to one that is focused on communion and mission. They'll get a quick history of youth ministry over the last fifty years. And they'll help dream about what changes need to take place in order to create the next phase of youth ministry, the future that needs to be created for effective ministry to students. **Responsible and Sustainable Business** Liangrong Zu, 2022-02-16. This book claims that CSR is the Tao of sustainable enterprise development. It examines the intersection of practical wisdom of Taoism, CSR and Sustainability, looking at the theoretical and historical implications associated with a Taoist approach to CSR, sustainability and responsible leadership. Implications for sustainable enterprise development will be presented. The book analyzes perspectives found in Taoist classical texts and within the larger Chinese cultural context in order to delineate key issues found in the classical texts. Through these analyses, the book

assesses the applicability of modern day Taoism thought and practice in China and the West with respect to the contemporary sustainability situation The book also explores the values ideas and practices Taoism offers to inspire a new generation of leaders and particularly business leaders to manage companies in a more social and sustainable way Essays on Education and Popular Culture Biko Agozino, 2019-03-13 This book is devoted to simple but deep readings of the subtle and not so subtle messages in films and to the interpretation of the silences that are strategically delivered through the mass media Readers are welcome to agree disagree or even offer new readings of other relevant texts for the promotion of mass literacy and mutual understanding The book will serve to equip the general public with skills for the development of literacy both within the walls of classrooms and beyond their boundaries in the outside world It is based on a selection of blog posts and journal articles that are updated and brought together in book form for the first time here
