Workers Sam Davies, Colin J. Davis, David de Vries, Lex Heerma van Voss, Lidewij Hesselink, Klaus Weinbauer, 2017-09-29

Workers who loaded and unloaded ships have formed a distinctive occupational group over the past two centuries. As trade expanded, so the numbers of dock labourers increased and became concentrated in the major ports of the world. This ambitious two-volume project goes beyond existing individual studies of dock workers to develop a genuinely comparative international perspective over a long historical period. Volume 1 contains studies of 22 major ports worldwide. Built around an agreed framework of issues, these port studies examine the type of workers who dominated dock labour, their race, class, and ethnicity, the working conditions of dockers, and the role of government as employer, arbitrator, and supporter. The studies also detail how dockers organized their labour, patterns of strike action, and involvement in political organizations. The structure of the port city is also outlined, and descriptions given of the waterside environment. These areas of investigation form the basis for a series of 11 thematic studies which comprise Volume 2. Drawing on the information provided in the port studies, these essays identify important aspects and recurring themes and explain how and why particular cases diverge from the rest. The final chapter of the book synthesizes the various approaches taken to offer a model which suggests several configurations of

dock labour and presents suggestions for future research This major scholarly achievement represents the most sustained attempt to date to provide a comparative international history of dock labour An annotated bibliography completes this essential reference work

Divided We Stand Bruce Nelson, 2021-03-09 *Divided We Stand* is a study of how class and race have intersected in American society above all in the making and remaking of the American working class in the nineteenth and twentieth centuries Focusing mainly on longshoremen in the ports of New York New Orleans and Los Angeles and on steelworkers in many of the nation's steel towns it examines how European immigrants became American and white in the crucible of the industrial workplace and the ethnic and working class neighborhood As workers organized on the job especially during the overlapping CIO and civil rights eras in the middle third of the twentieth century trade unions became a vital arena in which old and new immigrants and black migrants forged new alliances and identities and tested the limits not only of class solidarity but of American democracy The most volatile force in this regard was the civil rights movement As it crested in the 1950s and 60s the Movement confronted unions anew with the question Which side are you on This book demonstrates the complex ways in which labor organizations answered that question and the complex relationships between union leaders and diverse rank and file constituencies in addressing it *Divided We Stand* includes vivid examples of white working class agency in the construction of racially discriminatory employment structures But Nelson is less concerned with racism as such than with the concrete historical circumstances in which racialized class identities emerged and developed This leads him to a detailed and often fascinating consideration of white working class ethnicity but also to a careful analysis of black workers their conditions of work their aspirations and identities their struggles for equality Making its case with passion and clarity *Divided We Stand* will be a compelling and controversial book

On the Irish Waterfront James T. Fisher, 2011-01-15 Site of the world's busiest and most lucrative harbor throughout the first half of the twentieth century the Port of New York was also the historic preserve of Irish American gangsters politicians longshoremen's union leaders and powerful Roman Catholic pastors This is the demimonde depicted to stunning effect in Elia Kazan's *On the Waterfront* 1954 and into which James T. Fisher takes readers in this remarkable and engaging historical account of the classic film's backstory Fisher introduces readers to the real Father Pete Barry featured in *On the Waterfront* John M. Pete Corridan a crusading priest committed to winning union democracy and social justice for the port's dockworkers and their families A Jesuit labor school instructor not a parish priest Corridan was on but not of Manhattan's West Side Irish waterfront His ferocious advocacy was resisted by the very men he sought to rescue from the violence and criminality that rendered the port a jungle an outlaw frontier in the words of investigative reporter Malcolm Johnson Driven off the waterfront Corridan forged creative and spiritual alliances with men like Johnson and Budd Schulberg the screenwriter who worked with Corridan for five years to turn Johnson's Pulitzer Prize winning 1948 newspaper exposé into a movie Fisher's detailed account of the waterfront priest's central role in the film's creation challenges standard views of the film as a post facto justification for

Kazan and Schulberg's testimony as ex communists before the House Committee on Un American Activities On the Irish Waterfront is also a detailed social history of the New York New Jersey waterfront from the rise of Irish American entrepreneurs and political bosses during the World War I era to the mid 1950s when the emergence of a revolutionary new mode of cargo shipping signaled a radical reorganization of the port This book explores the conflicts experienced and accommodations made by an insular Irish Catholic community forced to adapt its economic political and religious lives to powerful forces of change both local and global in scope **Longshoremen and Their Homes** Elizabeth Ogg, 2017-12-23

Excerpt from Longshoremen and Their Homes The Story of a Housing Case Study Conducted Under the Auspices of Greenwich House Situated as it is in a neighborhood blighted by some of New York City's worst slums Greenwich House naturally has sought to do its bit for the housing movement As its contribution the Settlement offers this study of housing conditions among the longshoremen living in its neighborhood made possible through a generous grant of funds from the Pierce Foundation To Mr Clarence Woolley of the Pierce Foundation goes our sincere appreciation of his very material interest and aid We are also indebted to Miss Helen Alfred Executive Director of the National Public Housing Conference and Mr George Uhl of the New York City Housing Authority for helpful advice and encouraging interest to the Reverend Daniel Dougherty of St Veronica's School and the Reverend Monsignor John J Hickey of St Joseph's Parish to the Clyde Mallory Lines the Savannah Lines the Morgan Line the White Star Cunard Line and the Anchor Line for their friendly assistance in securing names of longshoremen to the Waterfront Research Committee for information about the longshore industry and to the many longshoremen who assisted us About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Monthly Labor Review** United States. Longshoremen Their Homes Conducted Greenwich Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Longshoremen Their Homes Conducted Greenwich free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Longshoremen Their Homes Conducted Greenwich free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Longshoremen Their Homes Conducted Greenwich free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Longshoremen Their Homes Conducted Greenwich. In conclusion, the internet offers numerous

platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Longshoremen Their Homes Conducted Greenwich any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Longshoremen Their Homes Conducted Greenwich Books

1. Where can I buy Longshoremen Their Homes Conducted Greenwich books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
