Looking For Mr Goodbar Washington Square Press:

Looking for Mr. Goodbar Judith Rossner,1997-10 By day she is a caring school teacher with her favourites By night she is a drug abusing heavy drinking hooker chasing rough sex in bars and picking up whatever is available **When Everything Changed** Gail Collins,2009-09-22 Gail Collins New York Times columnist and bestselling author recounts the astounding revolution in women s lives over the past 50 years with her usual sly wit and unfussy style People When Everything Changed begins in 1960 when most American women had to get their husbands permission to apply for a credit card It ends in 2008 with Hillary Clinton s historic presidential campaign This was a time of cataclysmic change when after four hundred years expectations about the lives of American women were smashed in just a generation A comprehensive mix of oral history and Gail Collins s keen research covering politics fashion popular culture economics sex families and work When Everything Changed is the definitive book on five crucial decades of progress The enormous strides made since 1960 include the advent of the birth control pill the end of Help Wanted Male and Help Wanted Female ads and the lifting of quotas for women in admission to medical and law schools Gail Collins describes what has happened in every realm of women s lives partly through the testimonies of both those who made history and those who simply made their way Picking up where her highly lauded book America s Women left off When Everything Changed is a dynamic story told with the down to earth amusing and agenda free tone for which this beloved New York Times columnist is known Older readers men and women alike will be startled as they are reminded of what their lives once were Father Knows Best and My Little Margie on TV daily weigh ins for stewardesses few female professors no women in the Boston marathon in combat zones or in the police department Younger readers will see their history in a rich new way It has been an era packed with drama and dreams some dashed and others realized beyond anyone s imagining Alice Neel Phoebe Hoban,2010-12-07 Alice Neel liked to say that she was the century and in many ways she was She was born into a proper Victorian family and came of age during suffrage The quintessential Bohemian she spent more than half a century from her early days as a WPA artist living in the heart of the Village through her Whitney retrospective in 1974 until her death ten years later painting often in near obscurity an extraordinarily diverse population from young black sisters in Harlem to the elderly Jewish twin artists Raphael and Moses Soyer to Meyer Schapiro and Linus Pauling to the American Communist Party chairman Gus Hall creating an indelible portrait of 20th century America Neel s hundreds of portraits portray a universe of powerful personalities and document an age Neel painted through the Depression McCarthyism the Civil Rights Movement the sexual revolution of the 60 s feminism and the feverish eighties Fiercely democratic in her subjects she portrayed her lovers her children her neighbors in Spanish Harlem pregnant nudes crazy people and famous figures in the art world all in a searing psychological style uniquely her own From Village legend Joe Gould with multiple penises to Frank O Hara as a lyrical young poet from porn star Annie Sprinkle gussied up in leather to her own anxious nude pregnant daughter in law Neel s portraits are as arrestingly executed as they are relentlessly honest

In this first full length biography of Neel best selling author Phoebe Hoban recounts the remarkable story of Neel's life and career as full of Sturm and Drang as the century she powerfully captured in paint. Neel managed to transcend her often tragic circumstances surviving the death from diphtheria of her infant daughter Santillana her first child by the renowned Cuban painter Carlos Enriquez with whom she lived in Havana for a year before returning to America the break up of her marriage a nervous breakdown at thirty resulting in several suicide attempts for which she was institutionalized and the terrible separation from her second child Isabetta whom Carlos took back to Havana. In every aspect of her life Neel dictated her own terms from defiantly painting figurative pieces at the height of Abstract Expressionism convincing her subjects to disrobe which many of them did including surprisingly Andy Warhol to becoming a single mother to the two sons she bore to dramatically different partners. No wonder she became the de facto artist of the Feminist movement. When Time magazine put Kate Millet on its cover in 1970 she was asked to paint the portrait. Very much in touch with her time Neel was also always ahead of it. Although she herself would probably have rejected such label she was America's first feminist multicultural artist a populist painter for the ages. Phoebe Hoban's *Alice Neel The Art of Not Sitting Pretty* tells the unforgettable story of a woman who forged a permanent place in the pantheon by courageously flaunting convention both in her life and her work.

Historia de la psiquiatría Jeffrey A. Lieberman, Ogi Ogas, 2016-03-08. Un recorrido por la historia y la evolución de la psiquiatría de la mano de dos expertos en la materia. La psiquiatría ha hecho un largo camino desde la época en que los lunáticos eran encadenados y exhibidos como fenómenos de feria ante un público boquiabierto. Pero como muestra Jeffrey Lieberman en este libro extraordinario y revelador el camino hacia la legitimidad científica de la oveja negra de la medicina no ha sido fácil. El doctor Lieberman hace un recorrido desde las pocas en que a los enfermos se les practicaba lobotomías o se les aplicaba descargas eléctricas como terapias curativas hasta su reciente madurez a partir de la Segunda Guerra Mundial como una profesión científica capaz de salvar vidas gracias en parte a la psicofarmacología, las resonancias cerebrales, la genética, la neurociencia y los métodos modernos de psicoterapia. Es una historia llena de teorías fantasiosas y también una historia plagada de descabellados tratamientos. Es asimismo la historia de una disciplina enfrentada consigo misma desgarrada entre los psiquiatras centrados en la mente como Sigmund Freud y los neurocientíficos centrados en el cerebro como Eric Kandel, cuya investigación pionera contribuyó a poner fin al reinado de Freud a quien sin embargo admiraba. Por estas páginas brillantes pasan de Emil Kraepelin, fundador del sistema moderno de diagnóstico psiquiátrico a Sigmund Freud y Oliver Sacks entre muchas otras eminencias de la psiquiatría. Opiniones. El extraordinario relato de Lieberman sobre la revolución científica de la psiquiatría a una revolución a la que él ha contribuido activamente resulta fascinante. Pero es sobre todo su franqueza, su ausencia de dogmatismo y su sensibilidad ante el sufrimiento lo que permanece en la mente del lector mucho después de haber pasado la última página. Sylvia Nasar, autora de *Una mente prodigiosa*. Un libro excelente para introducirse en el mundo de la psiquiatría moderna, sus aspectos científicos, las limitaciones y beneficios de sus sistemas.

diagnósticos y de sus tratamientos cómo aciertan unas veces los médicos y por qué otras veces se equivocan Un libro tan riguroso como ameno Kay Redfield Jamison autor de Una mente inquieta Un relato autorizado e inspirador sobre el progreso de la psiquiatría equilibrado por una admirable franqueza acerca de los pasos en falso de esta disciplina a lo largo de la historia Peter D Kramer autor de Escuchando al Prozac y Contra la depresión Este libro extremadamente legible sitúa la historia de la psiquiatría en una perspectiva moderna que resulta totalmente accesible al lector como Eric R Kandel doctor en Medicina premio Nobel de Neurociencia autor de En busca de la memoria y The Age of Insight

Changing the Story Gayle Greene, 1992-01-22 Changing the Story gives an excellent and well informed account of the differences between the American Canadian British and French attitudes towards feminism and feminist fiction and literary theory a very readable book which reminds us that literature can change us and that through it we can change ourselves Margaret Drabble A distinctive contribution clear elegant precise and well read to the feminist discussion of narrative of Anglo Canadian white North American novelists and to contemporary fiction Greene tracks how feminist novelists draw upon and negotiate with traditional narrative patterns and how their critical approach implicates and provokes social change The book brings us to an intelligent post humanism which does not scant the social meanings of metafictional critique And in addition this book remembers hope Rachel Blau DuPlessis Changing the Story is an invaluable guide to the feminist classics of the last three decades This is cultural criticism at its best engaged revisionary and politically astute Nancy K Miller Greene tells a very good tale about how feminist fiction emerged developed made changes in the world and now threatens to wane The Women's Review of Books Her probing analysis should captivate general readers as well as academics WLW Journal Changing the Story is an important work of feminist criticism certain to spark controversy within the feminist community American Literature The feminist fiction movement of the 1960s 1980s was and is as significant a movement as Modernism Gayle Greene focuses on the works of Doris Lessing Margaret Drabble Margaret Atwood and Margaret Laurence to trace the roots of this feminist literary explosion She also speculates on the future of feminist fiction in the current regressive period of post feminism

Bodyself Susan Corey Everson, 1984 Gewaltphantasien Arno Heller, 1990 *Becoming and Bonding* Katherine Payant, 1993-04-30 Expounding the view that the feminist movement has both encouraged and enriched literature by women Katherine Payant examines a large body of popular fiction of the late 1960s through the early 1990s relating these writers and works to the women's movement and feminist theories The study concentrates on popular fiction which is seen as evidence of the widespread influence of feminism and as a vehicle for dissemination of mainstream feminist ideas The opening chapter argues that feminist influenced popular literature has been neglected by critics and stresses the importance of its study to discern how social movements such as feminism affect the arts Chapters dealing with the 1970s and 1980s survey relevant feminist theories and tie them to representative novels Especially characteristic of the 1970s was the novel of development of growing up female or in feminist terminology the social construction of femininity The 1980s and early 1990s

showed themes broadening into women's experiences such as motherhood and bonds between women including mother daughter relationships and friendships Chosen for special focus in individual chapters are Marge Piercy Mary Gordon and Toni Morrison all immensely successful during the last twenty years and reflecting divergent perspectives on feminism Gordon writing from an Irish Catholic perspective synthesizes feminist ideas with traditional feminine experiences Morrison celebrates the strength and laments the pain of African American women but shows ambivalence toward some feminist issues in the light of the experiences of black women Written in accessible prose this work will deepen the appreciation of readers of these novelists and can serve as valuable supplementary reading for courses in women's studies and women in literature An extensive bibliography includes primary sources and studies in feminism literary criticism and contemporary women's writing

Youth Alternatives, Youth Awareness Press Robert E. Zucker, The Youth Alternatives and Youth Awareness Press tabloid newspapers were published in Tucson Arizona through the Tucson YWCA under the direction of Robert E Zucker from 1978-1981 The newspaper was staffed by high school students and adult advisors and published through various local states and federal grants and funding sources

Freedom's Ring Jacqueline Foertsch, 2021-04-16 Freedom's Ring begins with the question of how the American ideal of freedom which so effectively defends a conservative agenda today from globally exploitative free trade to anti French freedom fries during the War in Iraq once bolstered the progressive causes of Freedom Summer the Free Speech Movement and more militant Black Power and Women's Liberation movements with equal efficacy Focused as it is on the faring of freedom throughout the liberation era this book also explores attempts made by rights movements to achieve the often competitive or cross canceling American ideal of equality economic professional and otherwise Although many struggled and died for it in the civil rights era freedoms such as the vote integrated bus rides and sex without consequences via the Pill are ultimately free costing officialdom little if anything to fully implement while equality with respect to jobs salaries education housing and health care will forever be the much more expensive nut to crack Freedom's Ring regards the politics of freedom and politics in general as a low cost substitute for and engrossing distraction from substantive economic problem solving from the liberation era to the present day

10-K Transcript, 1977 *New York Magazine*, 1982-07-26 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea
