Denison,2022-10-09 Atlanta Braves minor league pitcher Brett Davies has much to contemplate at the young age of 25 Coming back from a torn rotator cuff that slows his dream of major league stardom he has completed his first post injury season with their farm team in Greenville South Carolina But his success as their top relief pitcher does not lead to a call up to Atlanta at the end of the Greenville season Did the Braves executives think his repaired shoulder wasn t good enough for major league competition He needed answers and would go to Atlanta to meet with their general manager to find them But Brett has more on his mind than baseball Raised by a single mom he had never been allowed to meet his father Brett never knew why His mother just told him It s not possible And at age 25 Brett wonders if he will ever find the right girl to spend the rest of his life with No current girlfriend with none on the horizon had both Brett and his mother concerned But things were about to rapidly change The following season Brett finds himself assigned to the Braves minor league team in Rome Georgia as a player coach A series of random events brings new people and new challenges into Brett s life Would they also lead him to the answers he needed to find his way home *At a Loss to Eternity* Thomas Porky McDonald,2005-04-12 In direct

contrast to the plethora of winning is everything material that has incrementally grown since the 1990s Thomas Porky McDonald poet and writer offers up *At a Loss to Eternity* an admittedly arbitrary look at a number of fine baseball teams that as the subtitle states *Didn't Win it All* Spanning from the early days of the modern World Series Era to the present McDonald attempts to enlighten those who are willing as well as those seemingly scarred by the burgeoning attitude that everyone is a loser except the one that wins the ultimate Championship League Champions who lost the World Series like the legendary 1906 Tinker to Evers to Chance Chicago Cubs or Milwaukee's Brew Crew 82 take their proper place amongst the elites that they ultimately lost the Fall Classic to Remarkable second place teams such as the 1942 Brooklyn Dodgers and the 1961 Detroit Tigers each winners of 100 regular season games are also afforded a forum here Storied franchises currently in the throes of long Championship droughts from Chicago's Cubs and White Sox to the Cleveland Indians are considered along with their former baseball purgatory roommate the Boston Red Sox who finally took it all in 2004 *At a Loss to Eternity* asks the reader to simply recall what professional sports and baseball in particular are really about The joy that those who love the Game get from it cannot be dismissed by a growing inane win or die attitude fostered by mass media and accepted incoherently in too many places Winning is wonderful and all athletes should certainly strive to win every time they enter the playing field Nonetheless any player that gives every ounce of effort they can toward the goal of winning could never be a loser despite what those who've probably never accomplished anything themselves would have you believe Winning isn't everything though aspiring to win surely should be The Red Sox 2004 World Championship exorcized many ghosts for some but the truth is that many wonderful teams and a number of All Time stars that did not win a World Title will always shine even though they never managed to secure a ring So much so that *At a Loss to Eternity* is in fact ultimately a tale of winners
