## **Lord Silence Martin Nakell:**

**The Lord of Silence** Martin Nakell, 2016 In *The Lord of Silence* a thrilling espionage and adventure novel focused as much on the people involved in such danger as on human history taking global politics as much as the state of Israel and her leaders for plot and intrigue unfolding the ins and outs of nuclear terror **Comprehensive Dissertation Index**, 1989

**The Lord of the Silence** Shaneen Clarke, 2020-12 Can silence be found amid the noisy mayhem of everyday life A rare commodity now more than ever the search for silence is sometimes born out of desperation The busyness of life the pinging and ringing of mobile devices the demands of career and family all clamouring for our attention and driving us into an abstract bubble of activity and a cacophony of noise with seemingly no way out The call to silence can happen at any time anywhere and through any avenue igniting a longing for rest peace or a simple desire for stillness lighting the pathway that leads away from the noise of the world to the sanctuary of silence you seek As you linger there the hushed whisper of *The Lord of the Silence* will call you to a place of indescribable stillness more magnificent than you dreamed possible If you long for such a place of perfect peace and rest there is no better time to begin your journey with *The Lord of the Silence* than this very moment He is waiting for you **The Fellowship of Silence** Cyril Hephner, 1925 [In Search of Silence](#) Denarae

Carlock, 2004-05 In *Search of Silence* is a 31 day devotional that was designed so that busy mothers quiet time with the Lord is kept simple yet meaningful **The Silence of Eternity** John Greenleaf Whittier, Lois Morrison, 2007 **My Ramblings**

**In The Silence** Dr Michele R Wells, 2021-01-05 With the constant barrage of things that consume our time and energy it is often difficult for us to steal away and take time to just be quiet Some things we have to do and choose to do can invade the time that we would have spent just being still So as we schedule our days why not schedule time to be in the Silence *My Ramblings in the Silence* is an opportunity to build the habit of sitting in the silence and listening to the Father I had to make myself sit in Silence because it is so easy to get caught in the busyness of the day Even when we think that we have planned well we can look up and find that our time has been spent and we wonder where it went This devotional challenges you to take 21 days and spend intentional time sitting in the Silence Not asking for anything but listening for everything that the Father would want to speak to you The short devotions shared here are my honest musings as I contend for the Silence I invite you to share this experience with me and journal what God is speaking to you in the Silence **A Sunlit Absence**

Martin Laird, 2011-07-28 In his sequel to the best selling *Into the Silent Land* Martin Laird guides the reader more deeply into the sanctuary of Christian meditation He focuses here on negotiating key moments of difficulty on the contemplative path showing how the struggles we resist become vehicles of the healing silence we seek With clarity and grace Laird shows how we can move away from identifying with our turbulent ever changing thoughts and emotions to the cultivation of a sunlit absence the luminous awareness in which God's presence can most profoundly be felt **Silence: A User's Guide, Volume Two** Maggie Ross, 2017-12-13 To learn to read a text for the portals of silence that are implicit in it is to gain a powerful tool

for supporting and expanding one's silence and to open the reader to the insight that ensues. The sort of reading proposed in this volume is both costly and rewarding. These pages invite readers once again to look at their own minds to reflect on what is happening there and to understand the essential role of silence for being human and for living our own truth with one another.

**Silence the Gateway to God** David Runcorn, 2017 *In the Silence* Sherry Hill, 2017-09-13 Do you know how to be truly silent and still? To really listen to what God is saying? To really reap the benefits of God's Word and purpose for your life? It is imperative to take a deep breath, step back, and just be quiet. This small and powerful guide from the author Sherry Hill outlines the path to true healing, silence, and will help you see yourself for who you are, allowing you to emerge and walk into a new life of goals, discipline, destiny, and victory. Join Sherry in accomplishing life's divine, God-ordained purpose and attaining ultimate peace.
