The fourth edition delivers rich, practical and research-based strategies that readers have found invaluable in today's classrooms. - Tap into students' background knowledge to build upon and enhance comprehension of complex texts.
- Teach students how to question a text.
- Teach reading and thinking through a disciplinary lens.

At the heart of this edition are more than 40 classroom strategies with variations and strategy indexes that identify the instructional focus of each strategy, pinpoint the text frames in play as students read and learn, and correlate students' comprehension processes. In addition, each strategy is cross-referenced with the Common Core's reading, writing, speaking, listening, and language standards.
