Lords of Perdition Warren K.

Fast,2002 The author has created a fast paced thriller by combining Biblical prophecies with modern technology Suspenseful and compelling Today all around us an ancient war rages on Eyes have not seen it None have heard it Mankind has not experienced it Until now Something has awakened on the other side of existence Darkness seeps into our world and upon the streets of our cities as an unseen force gathers without detection Meanwhile a sacred order established a thousand years past prepares for a final assault But it will take more than the thinning ranks of the order s elite warriors to hold back the power that is about to be unleashed In this secret realm of brutal warfare and spiritual struggle within a circle that exists just beneath the surface of mundane civilization one man and one woman will become humanity s last defense against the most primordial embodiment of ultimate evil

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
