Imagine and Grow Rich Katrine Hütterer, Norman P. Fischer, 2021-09-23 *Imagine and Grow Rich* is for all those people who still have dreams. Who believe deep inside that there must be a way to realise these dreams. Who simply refuse to give up no matter what the others say or think. But who have not yet managed to live the life of their dreams. People who are fed up with things not going the way they want them to and those who have already tried many things, new moon wishes, ordering from the universe, attracting success etc but have not yet reached their goal will finally find their answers and solutions in *Imagine and Grow Rich*. The authors explain in an

understandable and easy to implement way how to achieve one's goals and which circumstances can sabotage the achievement of these desires
