Magical Use Of Thought Forms A Proven System Of Mental Spiritual Empowerment:

Magical Use of Thought Forms Dolores Ashcroft-Nowicki, J. H. Brennan, 2001 In this comprehensive reference manual two leading occult researchers present step by step instructions some never before in print for developing the most basic and essential skills for magical practitioners of any tradition creating thought forms through astral manipulation **Magical Use of Thought Forms** includes sections on the structure of reality and on new visualization techniques to build correct astral images for highly potent magical work from creating a Familiar or Guardian to building a Memory Palace Also revealed in this extraordinary guide The occult art of observation How to build up desire as fuel for a potent astral engine The three point location of occult power in the physical brain The creation of advanced astral structures including Godforms and angelics audial images and astral landscapes The most spectacular aspect of this book is the instruction given for the performance of the legendary alchemical experiment the creation of the homunculus an animated form that can last up to several hours

THOUGHT FORMS AND HALLUCINATIONS Chidambaram Ramesh, 2014-02-27 In recent times the subject of consciousness has emerged as an important paradigm of scientific investigation and research despite most of its concerns having roots in philosophy religion and occultism What is consciousness What is the substance of consciousness Is it material or immaterial mortal or immortal How is it connected with a body Has it a particular seat in any particular body as the brain does Is consciousness synonymous with mind Is it eternal and non local These questions have interested thinkers for many centuries It is the object of this book to demonstrate through a series of cases reported across the world at various times relating to many curious mind related phenomena like the creation of mental entities the imprints of indelible images on the human body stigmata birthmarks and bodily deformities corresponding to the injuries sustained in the previous life thought photography materialization experiments etc that Human mind can bring into being thought forms and can exteriorize them giving them some objective consistency There can be continuity of thoughts even after the destruction of the physical brain These psychic entities are sometimes given a kind of autonomy so that they may act and seemingly think without the consent or even knowledge of their creator The book does not stop with the mere reproduction of recorded cases and just messaging the dimension of the problem but extends over to solve it by suggesting a bio holographic theory of body and mind The book is alike novel fun filled profound and useful thus affording the blend of interest and instruction which cannot fail to render it interesting to the inquisitive and candid mind
