Magus Honor Raconteur, 2015-12-06 That boy thinks the world of you Xiaolang murmured And he visibly hesitated slanting a questioning look at me from the corner of his eye And I encouraged him Xiaolang rarely hesitates in his speech When he wanted to say something he said it He ll be very important in the future Xiaolang murmured I m not sure how to put this he paused mouth rummaging for words Something will change very soon Garth Someone will be discovered who will change everything When that happens you need to trust Trev nor like he trusts you Much will be lost otherwise I looked really looked at Trev nor Trev nor has always been special a child prodigy in a life that had no child prodigies My head was swimming with questions after Xiaolang s revelation Who was the boy we were to rescue and why was Trev nor so important for that boy Advent Honor Raconteur, 2012-03-01 Good work Balancer I frowned at the title All I did was transport her here Raile Yes so you did he agreed in a tone that clearly didn t agree with me at all Perhaps you don t consciously realize this Garth but its little things like this that are restoring balance to Chahir No task can be done in just one stroke of effort it takes many strokes and much sustained effort He s right I started reviewing all of the things I had done over the past two years memories flicking through my head almost too fast to follow Each choice led to another my choice to leave my home in Tobadorage and seek refuge in Hain led directly to my actions now bringing a Queen into exile And each choice each action on my part had started the chain reaction that was bringing magic back into Chahir

The Dragon's Mage Honor Raconteur, 2018-03-23 Once upon a time there was a dragon Take one newly trained Fire Mage Make him the first sane Fire Mage that s been born in the past two hundred years Have him leave home and venture into the Empire of Sol Add one powerful curious fire eating dragon Fire Mage Haikrysen never imagined that he would be adopted out of the blue by a dragon But then he never thought he d find a permanent home in the northern section of Sol working as a firefighter either Still he likes his new home and adores his dragon companion even if she does hoard jewelry and eats whole sheep for breakfast But his peaceful days end abruptly when an arsonist starts torching the eastern section of the empire his attacks becoming progressively bigger and faster It s beginning to look like he s another insane Fire Mage on the loose Krys Kaya and his partner Mari are sent to investigate but they have no idea what the aim of the arsonist is and very little knowledge of the man Desperate the three of them race against time to catch the madman before he burns a path across the whole empire and everyone in it Dragon s Mage by Honor Raconteur set in the Advent Mage world features the returning character of Haikrysen the first real Fire Mage of his generation **Advent Mage Compendium** Honor Raconteur, 2012-08-01 A collection of short stories from the Advent Mage Cycle **The Riddle in the Poem** Živilė Gimbutas, Živilė Gimbutas, 1990
