Block, 2020-06-28 The paranormal has long been a hotly contested topic especially in academia Most people are entertained by the paranormal or casually read a few books they come across on the topic perhaps assuming that these topics are nothing more than campfire fodder Of course there's nothing wrong with being entertained by the paranormal but how many people know that there is a long history of academic scientific and credible research into topics such as extrasensory perception hauntings poltergeists cryptozoological sightings near death experiences and more In *Researching the Paranormal* Courtney M Block provides an overview of paranormal research and introduces readers to an assortment of resources that seriously examine various paranormal topics She shows readers how to think critically about paranormal sources and how to apply the components of credibility when conducting their own paranormal investigations Highlighting the long history of serious academic inquiry into various paranormal topics Block provides citations to primary source documents journal articles helpful databases encyclopedias dictionaries and books In addition she provides a historical overview of various paranormal phenomena such as parapsychology cryptozoology ufology divination ghosts hauntings and more

Happy Semiquincentennial, America! Jay Payleitner, 2025-10-07 It's America's 250th birthday Here are 250 reasons to celebrate this land of the free and the brave Let's hear a round of thunderous applause for America's semiquincentennial Or maybe a reluctant and sarcastic slow clap from you cynics in the crowd Sure our beloved nation is far

from perfect From sea to shining sea there are still challenges to meet and opportunities we have overlooked But hey Look how far we ve come in just 250 years We ve added 37 states and there are currently 130 times as many Americans as there was in 1776 Population growth is good right We ve hired 47 presidents admittedly some better than others And then there is corn on the cob Route 66 Philly cheesesteaks Wrigley Field greasy spoon diners SPAM Are you smiling yet In these pages you ll find a pinch of nostalgia a dash of travelogue a burst of patriotism and even a challenge for all Americans to cherish this country and maybe do better Whether you re a progressive a conservative or refuse to be labeled we invite you to celebrate America s semiquincentennial Join us for a much needed healthy dose of optimism a dash of silliness and proof positive that America is still the place you want to call home

Museums of the World Marco Schulze,2005 Anybody wanting to know if there are any museums in Lapland will strike it lucky with this work They will be told that the Sa mi Museum and Northern Lapland Nature Centre was founded in Inari in 1961 which departments it houses as well as the name of its director simply ask him or her any further questions directly either by post phone fax or e mail The museums are coded by 22 categories identifying focus and type of each institution The thematic scope ranges from Agricultural Museum to Science and Tech Museum In addition venues such as Historical Site Open Air Museum and University Museum are differentiated from each other *Museums of the World* has been completely revised and updated With some 1 300 museums entered for the first time the current edition of the handbook lists over 41 600 museums in 199 countries Museums are listed hierarchically by country and place and within places alphabetically by name Should a museum have recently changed its name the previous name will still be given along with a reference to the current one Owing to the ever increasing number of entries *Museums of the World* is now published in two volumes An chapter provides 474 museum associations in 118 countries Searches are greatly facilitated by three indexes the alphabetical index lists the names of all museums in the original language and in English too if a translation is available The index of names records artists whose works are shown predominantly in a specific museum and or refers to memorabilia of famous individuals from all walks of public life Looking for Laurel Stan the user is given one entry Laurel and Hardy Museum in Ulverston UK while Johann Wolfgang von Goethe is not restricted to Frankfurt and Weimar but may be found in no fewer than 18 museums in Germany France and Italy Last but not least the subject index classifies museums according to 214 subject groups containing numerous further cross references structured alphabetically by country and museum name A standard work for museums the art trade centres of cultural studies libraries and anybody searching for a specific museum for private academic or business reasons
