To Queen Victoria, 2018-02-27 Excerpt from *To Queen Victoria*. These Studies in Her Majesty's Tower Are Dedicated by Express Permission. Twenty years ago I wrote some chapters on the Tower, especially on the human interests which cling around it, and since that time I have noted with care such passages in either the State Papers or printed books as threw light into the cells once occupied by the heroes and heroines of English story. This volume, a book of identifications, is the fruit of this long continued search. About the Publisher: Forgotten Books publishes hundreds of thousands of rare and classic books. The Letters of Queen Victoria, Vol. 3 of 3 Arthur Christopher Benson, 2017-10-23 Excerpt from *The Letters of Queen Victoria*, Vol. 3 of 3. A Selection From Her Majesty's Correspondence Between the Years 1837 and 1861. Published by Authority of His Majesty the King. It cannot be denied that the position of the Prince is somewhat anomalous and has not been specially provided for by the Constitution, but the ties of Nature and the dictates of common sense are more powerful than Constitutional fictions, and Lord Aberdeen can only say that he has always considered it an inestimable blessing that your Majesty should possess so able, so zealous, and so disinterested an adviser. It is true that your Ministers are alone responsible for the conduct of public affairs, and although there is no man in England whose opinion Lord Aberdeen would more highly respect and value, still if he had the misfortune of differing from His Royal Highness, he would not hesitate to act according
