Making History Interviews With Four Generals Of Cubas Revolutionary Armed Forces:

Making History Mary-Alice Waters,1999 Through the stories of four outstanding Cuban generals Nestor Lopez Cuba Enrique Carreras Jose Ramon Fernandez and Harry Villegas each with close to half a century of revolutionary activity we can see the class dynamics that shaped the Cuban Revolution and our entire epoch We understand how the people of Cuba as they struggle to build a new society have for four and a half decades held Washington at bay *Making History* Enrique Carreras,Harry Villegas,José Ramón Fernández,2003-05 Through the stories of four outstanding Cuban generals Nestor Lopez Cuba Enrique Carreras Jose Ramon Fernandez and Harry Villegas each with close to half a century of revolutionary activity we can see the class dynamics that have shaped our entire epoch We can understand how the people of Cuba as they struggle to build a new society have for more than forty years held Washington at bay Publisher Talaye Porsoo **From the Escambray to the Congo** Víctor Dreke,2002 We were ready to die to bring down the Batista dictatorship says Victor Dreke but we didn't know the first thing about revolution *Making History* Mary-Alice Waters,2000 **Guerrillas** Dirk Kruijt,2013-04-04 Three parallel wars were fought in the latter half of the twentieth century in El Salvador Guatemala and Nicaragua These wars were long and brutal dividing international opinion sharply between US support for dictatorial regimes and the USSR's sponsorship of guerrilla fighters This fascinating study of the guerrilla generation is based on in depth interviews with both guerrilla comandantes and political and military leaders of the time Dirk Kruijt analyses the dreams and achievements the successes and failures the utopias and dystopias of an entire Central American generation and its leaders Guerrillas ranges widely from the guerrilla movement's origins in poverty oppression and exclusion its tactics in warfare the ill fated experiment with Sandinista government in Nicaragua to the subsequent normalization of guerrilla movements within democratic societies The story told here is vital for understanding contemporary social movements in Latin America *Besieged Beachhead* J. J. Valdés,2024-11-05 On New Year's Day 1959 Fidel Castro's revolutionary movement overthrew the ruling regime in Cuba bringing the Cold War to the United States doorstep and setting the island nation and its superpower neighbor on a collision course The clash came in April 1961 on the southern coast of Cuba at the Bahía de Cochinos the Bay of Pigs In an hour by hour chronicle that is as even handed as it is dramatic J J Valdés gets to the heart of this Cold War battle from the beaches and skies of Cuba to the corridors of power in Washington and Havana Long entangled in Cuba's economy and politics the United States watched Castro's revolution carefully and grew wary as Castro drew closer to the Soviet Union Within a few months the CIA with President Dwight Eisenhower's approval was recruiting and training Cuban exiles for a paramilitary force to topple Castro By early 1960 when John F Kennedy became president after campaigning on a hard line on Cuba policymakers believed the window for action was closing Kennedy gave the go ahead for the island's invasion but not before ordering changes aimed at concealing American involvement that weakened the operation Early on April 17 1961 1 400 men of Brigade 2506 Cuban exiles trained by the CIA in Guatemala began landing

at the Bay of Pigs just over 100 miles southeast of Havana Nearly everything went wrong Boat engines failed Coral reefs snarled landing craft Castro s planes destroyed ships carrying vital ammunition and medical supplies Expected popular support within Cuba did not materialize Khrushchev rattled the nuclear saber spooking Kennedy from ordering assistance he was reluctant to provide anyway Over the course of three days the Brigade obstinately defended a rapidly shrinking beachhead but the exiles outnumbered and under supported were no match for the air and ground forces Castro threw against them By April 19 the invasion had failed and 1 200 scattered survivors were captured over the ensuing days What had been intended as a Cold War masterstroke ended in embarrassment for the U S The Bay of Pigs disaster would set the stage for the Cuban Missile Crisis eighteen months later and shape U S Cuba relations up until the present Decades in the making Besieged Beachhead draws from English and Spanish sources in the United States and Cuba to tell the story of this conflict as it has never been told before Along the way the work sheds light on events that have been shrouded in secrecy myth and propaganda for six decades *Amateur Armies* Stephen M. Cullen,2020-11-23 A history of volunteer armies spanning from the French Revolutionary Wars and the War of 1812 to pre 1914 Ireland and the Bay of Pigs *Amateur Armies* examines the military and social history of volunteer armies around the western world from the failed French invasion of South Wales in 1797 to the disastrous anti Communist invasion of the Bay of Pigs in Cuba in 1961 It brings together some fascinating military actions across more than a century and a half of history and explores the social and political context in the countries involved Stephen Cullen s absorbing and original book is the first general survey of the role of amateur armies during the period Included are chapters on a series of wars in which militias played critical parts In each case their actions and effectiveness are described as is the background from which they came and the social and political circumstances in which they operated This pioneering study offers a valuable insight into each of the amateur armies covered and opens up an important and hitherto neglected aspect of military history *The Last Hot Battle of the Cold War* Peter Polack,2013-12-13 A fascinating chronicle of the Cold War battle where US and Soviet weapons as well as Cuban and South African troops took part in the Angolan Civil War In the late 1980s as America prepared to claim its victory in the Cold War over the Soviet Union a bloody war still raged in Southern Africa where proxy forces from both sides vied for control of Angola The socialist Angolan government stocked with Soviet weapons had only to wipe out the resistance group UNITA secretly supplied by the United States in order to claim sovereignty But as Angolan forces gained the upper hand apartheid era South Africa stepped in to protect its own interests The white army crossing the border prompted the Angolans to call on their own foreign reinforcements the army of Communist Cuba Thus began the epic Battle of Cuito Cuanavale an odd match up of South African Boers against Castro s armed forces While South Africa was subject to an arms boycott since 1977 the Cuban and Angolan troops had the latest Soviet weapons But UNITA had its secret US supply line and the South Africans knew how to fight As a case study of ferocious fighting between East and West *The Last Hot Battle of the Cold War* unveils a remarkable

episode in the endgame of the Cold War one that is largely unknown to the American public

Race, Ideology, and the Decline of Caribbean Marxism Anthony P. Maingot, 2015-08-25 In this book Anthony Maingot examines the contemporary intellectual social economic and cultural trajectories of Caribbean nations in light of the challenges the region as a whole has faced in the postcolonial era By focusing on changes since the 1990s in the context of intellectual roots and movements of the past this manuscript helps define the future course of studies in the field with regard to an empirically valid coherent assessment of a complex region

Our Comrades in Havana Radoslav Yordanov, 2024-07-16 In the immediate aftermath of its successful revolution Cuba was heralded by socialist nations as the vanguard of communism in Latin America in the early 1960s But by the late 1980s Cuba's inability to adopt the modes of socialist planning and Mikhail Gorbachev's reforms had deeply soured the relationship between Havana and the Soviet led socialist bloc While secondary literature often highlights Cuba's political and economic relations with Washington and Moscow Havana's ideological political and economic relations with the Eastern European states have received considerably less attention This book aims to fill this gap by offering a detailed chronological account of how Cuba's post revolutionary development was influenced by Eastern European diplomats Outside of their roles as representatives of their respective states Eastern European diplomats were entrusted with the task of educating local Cuban leadership in the intricacies of Marxism Leninism steering Cuba's governors onto the correct path of development helping them eradicate erroneous ideas of economic development and showing them the validity of socialist morals and ideology By considering these developments and analyzing firsthand accounts of Eastern European diplomats experiences in Havana historian Radoslav Yordanov reconstructs the thinking of Eastern European diplomats and specialists in their dealings with Cuba from the 1959 Cuban revolutionary victory to the 1991 dissolution of the Soviet Union shedding new light on Cuba's role in the global Cold War

Back Channel to Cuba William M. LeoGrande, Peter Kornbluh, 2015-09-14 History is being made in U S Cuban relations Now in paperback and updated to tell the real story behind the stunning December 17 2014 announcement by President Obama and President Castro of their move to restore full diplomatic relations this powerful book is essential to understanding ongoing efforts toward normalization in a new era of engagement Challenging the conventional wisdom of perpetual conflict and aggression between the United States and Cuba since 1959 Back Channel to Cuba chronicles a surprising untold history of bilateral efforts toward rapprochement and reconciliation William M LeoGrande and Peter Kornbluh here present a remarkably new and relevant account describing how despite the intense political clamor surrounding efforts to improve relations with Havana negotiations have been conducted by every presidential administration since Eisenhower's through secret back channel diplomacy From John F Kennedy's offering of an olive branch to Fidel Castro after the missile crisis to Henry Kissinger's top secret quest for normalization to Barack Obama's promise of a new approach LeoGrande and Kornbluh uncovered hundreds of formerly secret U S documents and conducted interviews with dozens of negotiators intermediaries and policy makers including Fidel Castro and Jimmy
