Ghost Guns Mark A. Tallman, 2020-08-13 With thorough analysis and balanced reporting Ghost Guns Hobbyists Hackers and the Homemade Weapons Revolution is an essential resource for readers seeking to understand the rise of homemade firearms and future options for managing them For more than a century strict gun control was possible because firearms were produced in centralized industrial factories Today the Fourth

Industrial Revolution combining old and new technologies threatens to upend this arrangement. An increasing number of hobbyists, makers, technology provocateurs, and sophisticated criminals are proving that you don't need a factory to make guns anymore. The security challenges of this transformation are increasingly apparent, but the technologies behind it hold tremendous potential, and while ignoring the security implications would entail risks, the costs of new policies also must be evaluated. Do it yourself or DIY weapons will bring significant ramifications for First and Second Amendment law, international and homeland security, crime control, technology, privacy, innovation, and the character of open source culture itself. How can a liberal society adjust to technologies that make it easier to produce weapons and contraband? Informative and thought provoking. *Ghost Guns: Hobbyists, Hackers, and the Homemade Weapons Revolution* carefully analyzes the technical, legal, social, political, and criminological trends behind this challenging new area of illicit weapons activity.

Third-Party Reproduction James M. Goldfarb, 2013-10-07. The first IVF conceived birth in 1978 resulted in a significant growth of third party reproductive options which continue to raise ethical, legal, and psychological questions. Third party reproduction procedures can involve as many as five people: sperm donor, egg donor, gestational carrier, and intended parents. *Third Party Reproduction: A Comprehensive Guide* utilizes experts in the field to address the medical, psychological, ethical, and legal aspects of sperm donation, egg donation, embryo donation, and the use of gestational carriers. In addition, there are chapters on the medical and ethical aspects of posthumous reproduction, religious aspects of third party reproduction, and how to avoid pitfalls of third party reproduction. Aimed at physicians, trainees, psychologists, nurses, and social workers whose practices may include patients considering third party reproduction, the intent of this book is to provide a comprehensive and practical overview of the many aspects of third party reproduction to help all those involved to better understand them.

Patients considering third party reproduction may also find value in this book. **Willing's Press Guide and Advertisers' Directory and Handbook**, 1914. **The Fairness Doctrine and the Media** Steven J. Simmons, 2023-11-15. *The Fairness Doctrine and the Media* examines the complex history and ongoing debates surrounding the Federal Communications Commission's fairness doctrine, a regulation designed to ensure that broadcast media provide balanced and diverse viewpoints on controversial issues of public importance. The doctrine, which arose in the context of the rise of radio and television, was grounded in the belief that media outlets with their amplified voices held a responsibility to ensure that the public could hear all sides of important issues. This book delves into the legal and practical implications of the fairness doctrine, offering a historical narrative of its development, its challenges, and its eventual decline. The author critically explores the doctrine's evolution, including its inconsistencies, potential for misuse, and the dangers of government overreach, while also offering thoughtful proposals for reform. Through a detailed analysis, the book provides an insightful examination for a wide range of audiences, including students, legal professionals, broadcasters, and members of the general public interested in media regulation and freedom of speech. The work is an invaluable resource for those seeking a nuanced

understanding of how government regulation intersects with media practices and it critically assesses the role of the fairness doctrine in shaping media content By exposing both the strengths and shortcomings of this regulatory effort the book encourages readers to reexamine long held assumptions about the balance between government intervention and press freedom making it a vital text for those engaged in the ongoing debate about the future of media regulation in the United States This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1978 *Building Great School Counselor-Administrator Teams* Tonya C. Balch,Bradley V .Balch,2019-02-08 By working together school administrators and guidance counselors can greatly accelerate their impact on school improvement student behavior and mental health With this practical guide readers will discover a systematic approach for establishing an effective school counselor administrator team The authors share strategies and activities to foster trust and transparency develop an agreed on decision making process ensure a commitment to continuous improvement and more Use this book to develop effective processes for your counselors and administrators to better support students Navigate the evolving roles of school counselors and administrators to build high performance teams Examine the concepts of purposeful collaboration and consensus building the implementation uses and benefits to including them in your group decision making model Learn the six characteristics of high performing teams 1 trust and transparency 2 results orientation 3 building professional relationships 4 respect for diversity and divergent thought 5 an agreed on decision making process and 6 a commitment to continuous improvement Consider ethical decisions for students parents and guardians and other stakeholders Participate in professional development activities on leadership ethical decision making confidentiality crisis management and more **Organ Donation** Sarah Boslaugh,2022-04-01 This book provides a comprehensive yet accessible look at organ donation and transplantation including coverage of scientific medical social legal and ethical issues Readers will also discover how new technologies and medical advances are shaping the future of organ donation Donated organs and tissues have improved or saved the lives of hundreds of thousands of individuals But these life changing procedures raise many logistical and ethical questions How can organs be effectively allocated to those in need Should individuals be allowed to purchase organs from living donors What role does religion and culture play in someone s decision to donate or accept an organ Will new technologies like bioprinting change the future of organ donation Part of Greenwood s Health and Medical Issues Today series Organ Donation is divided into three sections Part I explores different aspects of the donation and transplantation process including which tissues and organs can be donated living versus deceased donation religious and cultural perceptions and cutting edge alternatives to traditional organ transplants Part II delves deep into a variety of issues and controversies related to the subject offering thorough and balanced coverage of such

hot button topics as opt in versus opt out systems organ trafficking and transplant tourism Part III provides a variety of useful materials including case studies a glossary and a directory of resources *Strategic Staffing* Jean Phillips,2019-01-15 Formerly published by Chicago Business Press now published by Sage Strategic Staffing 4e prepares all current and future managers to take a strategic and modern approach to the identification attraction selection deployment and retention of talent Organizations increasingly realize that their employees are the key to executing their business strategies and the current competition for talent has made the identification and attraction of high performing employees essential for companies to succeed in their marketplaces The right employees give their organization a competitive advantage that sets it apart and drives its performance In today s business environment a company s ability to execute its strategy and maintain its competitive edge depends even more on the quality of its employees And the quality of a company s employees is directly affected by the quality of its recruiting and staffing systems Because hiring managers are involved in the staffing process hiring managers and human resources HR professionals need to be familiar with strategic staffing techniques Over the past 10 years advancing technology and the increased application of data analytics have changed the practices of sourcing recruiting and staffing Strategic Staffing 4e is grounded in research communicates practical and modern staffing concepts and the role of staffing in organizational performance and is engaging to read The new edition contains updates to many sections on the roles of technology and analytics and adds more focus to the discussion of ethics that was added to the fourth edition New research findings were also incorporated and many company examples were updated The fifth edition of Strategic Staffing continues to present up to date staffing theories and practices in an interesting engaging and easy to read format **Gas Age** Ernest C. Brown, Frank R. Sprague, H. K. Landis, Floyd W. Parsons, 1955 Includes summaries of proceedings and addresses of annual meetings of various gas associations L C set includes an index to these proceedings 1884 1902 issued as a supplement to Progressive age Feb 15 1910 Military Review ,2014 *Professional Journal of the United States Army* ,2014 Chasing the Mafia Anna Sergi,2022-06-24 The ndrangheta the Calabrian region of Italy s mafia is one of wealthiest and most powerful criminal organizations today It is considered Italy s most powerful mafia it s not only the main object of concern for anti mafia units in Italy but also for joint investigative teams in Europe and beyond Combining autobiography travel ethnography memoir academic rigour and investigative journalism this book provides a global outlook on the ndrangheta taking the reader to small villages and locations in Italy and abroad to Australia Canada United States and Argentina Editor & Publisher ,1917 Directory of interactive products and services included as section 2 of a regular issue annually 1995 **Cumulated Index Medicus** ,1982 Editor & Publisher Market Guide ,1975 **Bulletin** ,1992 Loyal Sisters Doreen W. McCalla,2024-08-30 Although Loyal Sisters is about Loyal Sisters it is not only for them From ethnographic exploration into mainly two churches Messa Pentecostal and High Parish the religiosity and faith in the Triune God through the Holy Spirit pneumatology of Loyal Sisters is realized They are faithful and avid ecclesiastical worshipers

amidst a tide of dwindling church attendance We can reflect on their faith lifestyle and ontological passion for God which propels them into action in the British church We discover their values and beliefs and how they transcend and redeem adversity and or immigration patriarchy and racism come what may and seek for womanist cultural and religious change in the church through the Spirit Furthermore this book provides an insight into my autobiography womanist testimonies as a British Black female practicing ecumenical Christian who is an ally with Loyal Sisters You do not have to be a Loyal Sister or identify as female of color to read this book There is much we can learn from Loyal Sisters and about the British church which can enrich our understanding epistemology and or spirituality as faith believers or persons of no religious faith whether we agree with all some or none of their womanist spirituality

Latino Fathers Fatima Suarez, 2025-11-04 The contemporary meaning of Latino fatherhood What does fatherhood mean in the lives of Latino men In *Latino Fathers* Fatima Suarez shifts the attention from how father involvement affects Latine children to how Latino men experience fatherhood and what being a father means to them Suarez brings attention to the social forces shaping sustaining and undermining Latino men's parenting how their views and behaviors uphold challenge negotiate and transform culturally dominant ideas of fatherhood and the lessons they teach us about the reproduction of inequality in family life Suarez focuses on the many different facets of fatherhood including work life balance parenting challenges and empathy and resentment for their own fathers Drawing on in depth interviews with 60 Latino fathers in California Suarez highlights Latino fathers familial stories of joy sorrow humor pain uncertainty and hope *Latino Fathers* provides a compassionate intimate account of a group of fathers challenging the myths about them wrestling with the tensions they experience as they negotiate cultural ideas of good fathering and the structural realities that make it both possible and difficult to meet those expectations

Congressional Record United States. Congress, 1980 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in *The Debates and Proceedings in the Congress of the United States* 1789 1824 the *Register of Debates in Congress* 1824 1837 and the *Congressional Globe* 1833 1873
