

The background of the book cover is a dark, deep red or maroon color. It features several bright, glowing light trails that originate from a point near the bottom left and extend diagonally upwards and to the right. These trails are primarily yellow and orange, with some thinner, fainter lines in shades of green and blue. The overall effect is dynamic and energetic, suggesting motion or mathematical concepts like vectors or calculus. On the left edge, there are three white circular punch holes, indicating the book was part of a binder.
