James Fenimore Cooper (1789-1851) was a prolific and popular American writer of the early 19th century. His historical romances of frontier and Indian life in the early American days created a unique form of American literature. Before embarking on his career as a writer, Cooper served in the U.S. Navy, which greatly influenced many of his novels. The novel that launched his career was *The Spy*, a tale of espionage in the Revolutionary War. He also wrote numerous sea stories, and his best-known works are five historical novels of the frontier period known as the Leatherstocking Tales. Among his most famous works is the Romantic novel *The Last of the Mohicans*.
