Harper Single Volume American Literature Third Edition:

The Harper Single Volume American Literature Donald McQuade, 1999 A richly diverse gathering of new and familiar voices on subjects new and old The Harper Single Volume American Literature takes the reader on a journey through America's literary past and ever projecting future Eleven cultural portfolios provide windows into historic moments in our literary past and present superbly informative and readable period introductions further deepen the reader's understanding of the America from which this literature evolved Five great plays an unprecedented wealth of complete works approximately one hundred carefully chosen black and white images a collection both deeper and broader than other single volume anthologies The Harper Single Volume American Literature Third Edition has it all Canons by Consensus Joseph Csicsila, 2004-08-17 Canons by Consensus is first systematic analysis of American literature textbooks used by college instructors in the last century *The Latest Early American Literature* R. C. De Prosopo, 2016-01-21 *The Latest Early American Literature* according to readers for the University of Delaware Press is a collection of polemics and manifestoes In it R C De Prosopo bids to follow in the footsteps of the two rare early Americanist dissenters whom Philip F Gura once distinguished as prophets without honor in the field William Spengemann and Michael Colacurcio The book contends that a supposedly retired nationalist modernist telos continues to reign in most of the latest scholarship and even more influentially in all of the current literary histories and anthologies no matter how expansive in gender ethnic racial and hemispheric inclusiveness they profess to be Old teloi in particular that old American exceptionalist one can be cunning Updating and expanding upon essays written over the past thirty years De Prosopo proposes not only negatively to critique how the latest scholarly receptions of early American literature differ insignificantly from the earlier ones but positively to propose how a transnationalist concession that as a neocolonial culture America's lags behind that of Europe might advance post modern historiography by radically repositioning the past as no longer the present's diachronic predecessor but to quote Lyotard's semiotics its synchronic differend Closer to earth De Prosopo tries at the same time to remain mindful of the pedagogical imperative that ultimately to save the texts of early American literature will require making them legible to average non specialist never to become specialist undergraduate general education students To facilitate this he introduces in the concluding section of *The Latest Early American Literature* what will probably be taken as its most radical intervention the redefinition of Edgar Allan Poe as an early American writer **The Hospitable Canon** Virgil Nemoianu, Robert Royal, 1991-06-21 The papers in this book respond to the public debate over literary canons in the United States and elsewhere by placing the political ideological aspects of the conflict inside perspectives derived from comparative literature Canons are seen by most of the contributors as based on democratic and communal intentions or choices inevitable filtered through and colored by historical experiences and social biases An examination of the canonical process over many centuries reveals both the impressive durability of its elements and the amazing flexibility of its outlines The careful individual analyses

as well as the thought provoking general contributions in this volume agree that the democracy of play is one of the strongest bonds uniting the human race Canons or canons the contributors argue are based on it and reflect the intimate interdependence of cultural and intellectual matters with the workings of society as a whole Contributors Charles Altieri Lilian R Furst Michael G Cooke Robert Royal Roger Shattuck Rosa E M D Penna Glen M Johnson Yves Chevrel Raymond A Prier Peter Walker Christopher Clausen Virgil Nemoianu Forms of Transculturation Justin Andrew Read,2002
