Hogwash for Hamsters Jerry Spring, 2008-11-19 The author investigates the humor behind amateur radio a hobby that has captivated numerous people throughout the world for almost a century Contrary to popular belief the hobby continues to grow as it develops and incorporates new technologies including digital communications computers internet satellites and so on While some are into building their own equipment others are more focused on chasing faint signals in distant lands or competing for bragging rights in various contests Most would gladly

consider themselves as nerds for it takes a lot of dedication and knowledge to obtain a license and successfully operate a radio station Among all the technical mumbo jumbo however there is a lighter side which is brought out in Hogwash for Hamsters When we take ourselves less seriously we become even better ambassadors to the world So enjoy the limericks songs riddles one liners and stories It might just make your day a little brighter *Official Gazette of the United States Patent Office* United States.
