Harry Harrison,1972 **Saving the World Through Science Fiction** Michael R. Page,2017-02-28 One of the major figures in science fiction for more than sixty years James Gunn has been instrumental in making the genre one of the most vibrant and engaging areas of literary scholarship His genre history *Alternate Worlds* and his *The Road to Science Fiction* anthologies introduced countless readers to science fiction He founded the Gunn Center for the Study of Science Fiction in 1982 But Gunn has also been one of the genre s leading writers His classic novels *Star Bridge* with Jack Williamson *The Joy Makers* *The Immortals* and *The Listeners* helped shape the field Now in his nineties he remains a prominent voice His forthcoming novel is *Transformation* Drawing on materials from Gunn s archives and personal interviews with him this study is the first to examine the life career and writing of this science fiction grandmaster

No Lonesome Road Don West,Jeff Biggers,George Brosi,2010-10-01 This is the first book to celebrate the life and writing of one of the most charismatic Southern leaders of the middle twentieth century Don West 1906 1992 West was a poet a pioneer advocate for civil rights a preacher a historian a labor organizer a folk music revivalist an essayist and an organic farmer He is perhaps best known as an educator primarily as cofounder of the Highlander Folk School in Tennessee and founder of the Appalachian South Folklife Center in West Virginia In his old age West served as an elder statesman for his causes *No Lonesome Road* allows

Don West to speak for himself It provides the most comprehensive collection of his poetry ever published spanning five decades of his literary career It also includes the first comprehensive and annotated collection of West's nonfiction essays articles letters speeches and stories covering his role at the forefront of Southern and Appalachian history and as a pioneer researcher and writer on the South's little known legacy of radical activism Drawing from both primary and secondary sources including previously unknown documents correspondence interviews FBI files and newspaper clippings the introduction by Jeff Biggers stands as the most thorough insightful biographical sketch of Don West yet published in any form The afterword by George Brosi is a stirring personal tribute to the contributions of West and also serves as a thoughtful reflection on the interactions between the radicals of the 1930s and the 1960s The best possible introduction to his extraordinary life and work this annotated selection of Don West's writings will be inspirational reading for anyone interested in Southern history poetry religion or activism

50 in 50 Harry Harrison, 2002-11-16 From the author of *Make Room Make Room* A celebratory collection of fifty science fiction stories for each of his first fifty years as a professional writer From his first sale in 1950 on Harry Harrison has been one of the science fiction world's creative dynamos working in every subgenre of the field always bursting with provocative ideas Parodic one moment serious the next Harrison has been called by Brian Aldiss one of the few authors capable of carrying the old vigor of earlier days forward into a new epoch On the occasion of his fiftieth anniversary as a professional writer Harrison has gathered together fifty of his best stories one for each year along with substantial notes and introductory material **50 in 50** is at once a memoir a compendium of an engaging body of work and a look at the history of science fiction in the second half of the twentieth century Praise for **50 in 50** Here's the definitive selection of the prolific and popular Harrison's short fiction Harrison has written well even magnificently Booklist Long overdue Alternately thrilling and pensive scary and hilarious angry and accepting Harrison's fictions constitute one of the main monuments in modern SF Paul Di Filippo Scifi.com *American Book Publishing Record Cumulative, 1950-1977: Fiction.
