Hate Crimes Hate Crimes:

Hate Crimes James B. Jacobs, Kimberly Potter, 2000-12-28 In the early 1980s a new category of crime appeared in the criminal law lexicon In response to concerted advocacy group lobbying Congress and many state legislatures passed a wave of hate crime laws requiring the collection of statistics on and enhancing the punishment for crimes motivated by certain prejudices This book places the evolution of the hate crime concept in socio legal perspective James B Jacobs and Kimberly Potter adopt a skeptical if not critical stance maintaining that legal definitions of hate crime are riddled with ambiguity and subjectivity No matter how hate crime is defined and despite an apparent media consensus to the contrary the authors find no evidence to support the claim that the United States is experiencing a hate crime epidemic instead they cast doubt on whether the number of hate crimes is even increasing The authors further assert that while the federal effort to establish a reliable hate crime accounting system has failed data collected for this purpose have led to widespread misinterpretation of the state of intergroup relations in this country The book contends that hate crime as a socio legal category represents the elaboration of an identity politics now manifesting itself in many areas of the law But the attempt to apply the anti discrimination paradigm to criminal law generates problems and anomalies For one thing members of minority groups are frequently hate crime perpetrators Moreover the underlying conduct prohibited by hate crime law is already subject to criminal punishment Jacobs and Potter question whether hate crimes are worse or more serious than similar crimes attributable to other anti social motivations They also argue that the effort to single out hate crime for greater punishment is in effect an effort to punish some offenders more seriously simply because of their beliefs opinions or values thus implicating the First Amendment Advancing a provocative argument in clear and persuasive terms Jacobs and Potter show how the recriminalization of hate crime has little if any value with respect to law enforcement or criminal justice Indeed enforcement of such laws may exacerbate intergroup tensions rather than eradicate prejudice **Hate Crimes** Barbara Perry, 2009

Hate Crimes Valerie Jenness, 2018-12-13 Violence directed at victimized groups because of their real or imagined characteristics is as old as humankind Why then have hate crimes only recently become recognized as a serious social problem especially in the United States This book addresses a timely set of questions about the politics and dynamics of intergroup violence manifested **Hate Crimes** Thomas Streissguth, 2009 When a criminal offense includes the element of bias it is regarded as a hate crime In 1993 the Supreme Court approved penalty enhancement schemes for hate crimes in *Wisconsin v Mitchell* Recognizing these crimes as acts committed against entire communities 45 U S states now impose additional penalties for hate crimes The Supreme Court and state courts have put important constitutional limits on the enforcement and prosecution of hate crimes statutes and Congress has repeatedly debated whether to enact a federal hate crimes law But lawmakers courts and ordinary Americans continue to disagree over which crime victims hate crimes laws should protect Meanwhile critics insist that the law should make no distinction between bias crimes and ordinary crimes

Hate Crimes Revised Edition provides students and general readers with the resources necessary to define understand and research one of the most contentious topics in the United States today A glossary appendixes and a chronology round out this accessible and timely new resource Coverage includes a complete background on the incidence of hate crimes an overview of hate crime legislation and judicial opinions regarding these laws at both the state and national levels the public debate over the desirability constitutionality and justifiability of penalty enhancement for perpetrators of hate crimes the public debate over whether hate crimes laws should protect crime victims based on disability status as an immigrant sexual orientation or gender identity and extracts from documents such as the FBI Uniform Crime Report 2006 the Law Enforcement Hate Crimes Prevention Act 2007 and the Joint Statement Before the House Committee of the Judiciary Concerning the Jena Six 2007

Hate Crimes in America Melissa Abramovitz,2016-12-15 *Hate Crimes in America* covers the history of crimes motivated by prejudice examples of such incidents in the headlines today and the ways in which communities are responding to these vicious acts Aligned to Common Core Standards and correlated to state standards Essential Library is an imprint of Abdo Publishing a division of ABDO *Understanding Hate Crimes* Carolyn Turpin-Petrosino,2015-03-27 Hate crimes and lesser acts of bigotry and intolerance are seen to be constants in today s world Since 1990 the federal government has published annual reports on hate crime incidents in the United States While the reported numbers are disturbing even more devastating is the impact of these crimes on individuals communities and society This comprehensive textbook can serve as a stand alone source for instructors and students who study hate crimes and or other related acts It invites the reader to consider relevant social mores and practices as well as criminal justice policies as they relate to hate crimes by presenting this subject within a broad context *Hate Crimes Revisited* Jack Levin,Jack Mcdevitt,2009-03-25 Hate crimes violence aimed at individuals because they are members of a particular group were once considered the rare illegal actions of a small but vocal assortment of extremists who thrived on hating minorities No more In this new book by two of the country s leading experts on hate crimes published ten years after their classic book of the same name these most recognized authorities and media commentators reinterpret this scourge of our generation hatred based on race religion sexual orientation ethnicity gender and even citizenship In the aftermath of the worst act of terrorism in this country s history the bombing of the World Trade Center on September 11 2001 the authors probe the causes and characteristics of such acts of hatred and most vitally their consequences for all of us **Hate Crimes** Phyllis B. Gerstenfeld,2010-03-11 Who perpetrates hate crimes and why How do hate groups recruit members Why does so much controversy surround hate crime legislation While hate crimes are becoming a popular area of academic study many important questions about hate crimes remain unanswered *Hate Crimes Causes Controls and Controversies* addresses the many facets of hate crimes providing a comprehensive examination of this complex problem Author Phyllis B Gerstenfeld explores the causes of prejudice the history and operation of hate crime legislation the activities of organized extremist groups the international manifestations and solutions to hate crimes and the

consequences of hate crimes upon victims and communities Considering a broad range of issues from a variety of perspectives this multidisciplinary text includes the latest legal developments and cutting edge social research The Measurement of Hate Crimes in America Frank S. Pezzella, Matthew D. Fetzer, 2020-10-23 Using data from the Uniform Crime Reporting Hate Crime Statistics Program and the National Crime Victimization Survey this brief highlights the uniqueness of hate or bias crime victimization It compares these to non bias crimes and delineates the situational circumstances that distinguish bias from non bias offending The nuances of under reporting shed light on bias group and victim reasons for not reporting By examining measurement issues associated with data collection systems this brief helps explain why eighty nine percent of participating law enforcement agencies report zero hate crimes each year It describes patterns and trends in reporting the volume of general bias motivations and specific bias types as the most prevalent hate crime offense types and most likely victims and offenders With recommendations to address issues in measurement and under reporting including an action plan by the Enhance the Response to Hate Crimes Advisory Committee and the International Association of Chiefs of Police a best practice model by the Oak Creek Police Department and other promising law enforcement reporting models this brief provides an increasingly critical resource for law enforcement practitioners and researchers dealing with hate crimes

Hate Crimes : Criminal Law and Identity Politics New York University Center for Research in Crime and Justice James B. Jacobs Director, New York University Center for Research in Crime and Justice Kimberly Potter Director, 1998-03-28 In the early 1980s a new category of crime appeared in the criminal law lexicon In response to concerted advocacy group lobbying Congress and many state legislatures passed a wave of hate crime laws requiring the collection of statistics on and enhancing the punishment for crimes motivated by certain prejudices This book places the evolution of the hate crime concept in socio legal perspective James B Jacobs and Kimberly Potter adopt a skeptical if not critical stance maintaining that legal definitions of hate crime are riddled with ambiguity and subjectivity No matter how hate crime is defined and despite an apparent media consensus to the contrary the authors find no evidence to support the claim that the United States is experiencing a hate crime epidemic instead they cast doubt on whether the number of hate crimes is even increasing The authors further assert that while the federal effort to establish a reliable hate crime accounting system has failed data collected for this purpose have led to widespread misinterpretation of the state of intergroup relations in this country The book contends that hate crime as a socio legal category represents the elaboration of an identity politics now manifesting itself in many areas of the law But the attempt to apply the anti discrimination paradigm to criminal law generates problems and anomalies For one thing members of minority groups are frequently hate crime perpetrators Moreover the underlying conduct prohibited by hate crime law is already subject to criminal punishment Jacobs and Potter question whether hate crimes are worse or more serious than similar crimes attributable to other anti social motivations They also argue that the effort to single out hate crime for greater punishment is in effect an effort to punish

some offenders more seriously simply because of their beliefs opinions or values thus implicating the First Amendment Advancing a provocative argument in clear and persuasive terms Jacobs and Potter show how the recriminalization of hate crime has little if any value with respect to law enforcement or criminal justice Indeed enforcement of such laws may exacerbate intergroup tensions rather than eradicate prejudice Hate Crimes Barbara Krasner,2017-07-15 Few would argue that a violent attack motivated by negative feelings towards the victim s race ethnicity religion or sexual orientation is a hate crime But should a hate motivated crime be punished differently than the same crime committed for a different motive What if the crime is verbal a slur or a ranting blog post or a graffiti scrawl These may be hateful but are they hate crimes And how should they be punished Are hate crimes on the rise or are media attention and greater sensitivity to the issue making it appear so These and other questions are at the center of this thought provoking collection of articles drawn from across the political spectrum and the globe *Making Hate A Crime* Valerie Jenness,Ryken Grattet,2001-08-15 Violence motivated by racism anti Semitism misogyny and homophobia weaves a tragic pattern throughout American history Fueled by recent high profile cases hate crimes have achieved an unprecedented visibility Only in the past twenty years however has this kind of violence itself as old as humankind been specifically categorized and labeled as hate crime *Making Hate a Crime* is the first book to trace the emergence and development of hate crime as a concept illustrating how it has become institutionalized as a social fact and analyzing its policy implications In *Making Hate a Crime* Valerie Jenness and Ryken Grattet show how the concept of hate crime emerged and evolved over time as it traversed the arenas of American politics legislatures courts and law enforcement In the process violence against people of color immigrants Jews gays and lesbians women and persons with disabilities has come to be understood as hate crime while violence against other vulnerable victims octogenarians union members the elderly and police officers for example has not The authors reveal the crucial role social movements played in the early formulation of hate crime policy as well as the way state and federal politicians defined the content of hate crime statutes how judges determined the constitutional validity of those statutes and how law enforcement has begun to distinguish between hate crime and other crime Hate crime took on different meanings as it moved from social movement concept to law enforcement practice As a result it not only acquired a deeper jurisprudential foundation but its scope of application has been restricted in some ways and broadened in others *Making Hate a Crime* reveals how our current understanding of hate crime is a mix of political and legal interpretations at work in the American policymaking process Jenness and Grattet provide an insightful examination of the birth of a new category in criminal justice hate crime Their findings have implications for emerging social problems such as school violence television induced violence elder abuse as well as older ones like drunk driving stalking and sexual harassment *Making Hate a Crime* presents a fresh perspective on how social problems and the policies devised in response develop over time A Volume in the American Sociological Association s Rose Series in Sociology *Hate Crimes* Jack Levin,Jack MacDevitt,2013-11-09 Everything You Need to
