Haunted Castles And Houses Of Scotland:

HAUNTED CASTLES AND HOUSES OF SCOTLAND. MARTIN. COVENTRY, 2018 **Haunted Scottish Castles and Houses** G. Stewart, 2013-08-13 Journey through the beautiful countryside of Scotland and it won't be long before you find a castle or grand manor house From the fully restored magnificent homes and hotels to the decaying ruins each one has its own unique history With so many originally built for protection in far more violent times than today it is not unusual to discover that behind the visually stunning exteriors can lie a dark and sinister past and the terrifying acts of cruelty that were carried out within the walls have resulted in tales of hauntings In this book the author explores a selection of these castles and manors giving details of the reported ghostly happenings and the history of the property which helps explain why they are reputedly haunted Many of the properties have been personally visited by the author allowing him to provide photographs and offer his own views and experiences Book 3 in the Haunted Explorer Series Other titles available in the series Scotland's Hidden Hauntings Scottish Ghosts and Witches **Haunted Stirling** David Kinnaird, 2010-11-08 From heart stopping accounts of apparitions poltergeists and related supernatural phenomena to first hand encounters with phantoms and spirits this collection of stories contains both new and well known spooky tales from around Stirling A whole chapter is dedicated to the mysterious goings on at Stirling Castle where cleaners in the King's Old Building claimed to have heard footsteps coming from the third floor which hasn't existed since a fire in the nineteenth century while a 1930s photograph purports to capture the shadow of a phantom guardsman possibly the same Highland Soldier often reportedly mistaken by tourists for a castle guide The town itself has no shortage of fascinating tales including the story of the Old Town's most famous phantom seventeenth century merchant John Auld Staney Brecks Cowane whose spirit is said to inhabit his statue each Hogmanay A playful ghost supposedly throws pots and pans around the kitchens of the Darnley Coffee House while frequent power failures and mishaps in the Tolbooth Theatre originally the eighteenth century Burgh jail are blamed upon the malicious spirit of the last man hanged Alan Mair Drawing on historical and contemporary sources Haunted Stirling is guaranteed to intrigue and chill both believers and sceptics alike **Haunting Experiences** Diane Goldstein, Sylvia Grider, Jeannie Banks Thomas, 2007-09-15 Ghosts and other supernatural phenomena are widely represented throughout modern culture They can be found in any number of entertainment commercial and other contexts but popular media or commodified representations of ghosts can be quite different from the beliefs people hold about them based on tradition or direct experience Personal belief and cultural tradition on the one hand and popular and commercial representation on the other nevertheless continually feed each other They frequently share space in how people think about the supernatural In Haunting Experiences three well known folklorists seek to broaden the discussion of ghost lore by examining it from a variety of angles in various modern contexts Diane E Goldstein Sylvia Ann Grider and Jeannie Banks Thomas take ghosts seriously as they draw on contemporary scholarship that emphasizes both the basis of belief in experience rather than mere fantasy and

the usefulness of ghost stories They look closely at the narrative role of such lore in matters such as socialization and gender And they unravel the complex mix of mass media commodification and popular culture that today puts old spirits into new contexts
