Having Words With God The Bible As Conversation:

Having Words with God Karl Allen Kuhn, 2008 Karl Allen Kuhn argues that an emphasis on reading and listening for the Word of God in Scripture risks misconstruing the true nature of Scripture which is inherently dialogical Scripture represents the ongoing relationship between God and human beings and between and among diverse voices in the traditions of ancient Israel and the early church as a dynamic reforming conversation **BOOK JACKET** [This Strange and Sacred Scripture](#) Matthew Richard Schlimm, 2015-02-10 The Old Testament can seem strange and disturbing to contemporary readers What should Christians make of Genesis 1 3 seemingly at odds with modern scientific accounts Why does the Old Testament contain so much violence How should Christians handle texts that give women a second class status Does the Old Testament contradict itself Why are so many Psalms filled with anger and sorrow What should we make of texts that portray God as filled with wrath Combining pastoral insight biblical scholarship and a healthy dose of humility gifted teacher and communicator Matthew Schlimm explores perennial theological questions raised by the Old Testament He provides strategies for reading and appropriating these sacred texts showing how the Old Testament can shape the lives of Christians today and helping them appreciate the Old Testament as a friend in faith **5 Conversations You Must Have with Your Son, Revised and Expanded Edition** Vicki Courtney, 2019-03-01 From boyhood to manhood award winning author and youth culture commentator Vicki Courtney helps parents navigate the most important topics related to raising sons

Conversations with Barth on Preaching Bishop William H. Willimon, 2010-09-01 One of today's greatest preacher theologians engages one of the twentieth century's greatest teacher theologians on the meaning of preaching Readers of William H Willimon's many books have long found there the influence of Karl Barth probably the most significant theologian of the twentieth century In this new book Willimon explores that relationship explicitly by engaging Barth's work on the pitfalls and problems glories and grandeur of preaching the Word of God The Swiss theologian says the author expressed one of the highest theologies of preaching of any of the great theologians of the church Yet too much of Barth's understanding of preaching lies buried in the Church Dogmatics and other sometimes obscure sources Willimon brings this material to light introducing the reader to Barth's thought not just on the meaning but the practice of preaching as well **5 Conversations You Must Have with Your Daughter, Revised and Expanded Edition** Vicki Courtney, 2019-03-01 From the cradle to college tell your daughters the truth about life before they believe the culture's lies For mothers with girls newborn to eighteen *Five Conversations You Must Have with Your Daughter* is simply a must have book Youth culture commentator Vicki Courtney helps moms pinpoint and prepare the discussions that should be ongoing in their daughters formative years To fully address the dynamic social and spiritual issues and influencers at hand several chapters are written for each of the conversations which are 1 Don't let the culture define you 2 Guard your heart 3 Have a little sex respect 4 Childhood is only for a season 5 You are who you've been becoming The book also includes questions at the end of each conversation to help
