Retirement, A Golden Opportunity Gilles Roberge, 2024-08-25 I d like to retire but it s not right around the corner If I leave my job now I ll be penalized financially What would I do if I stopped working anyway These are understandable concerns of course but they are not inevitable Despite these fears we all cherish the hope of living our dreams and reaping the rewards promised by a life of hard work Antoine de Saint Exup ry left us with this thought If you want to build a boat don t gather men and women together to give them orders explain every detail tell them where to find everything If you want to build a boat instill in the hearts of your men and women the desire for the sea That s the spirit in which I wrote this book Luc had imagined his retirement for decades and when the opportunity presented itself he seized it He took a risk by agreeing to

leave his paid job at the age of 48 Had he not accepted his employer s offer of early retirement he would have had less time to satisfy his thirst for fulfillment in a life free of constraints His fascinating and enriching 30 year retirement career is worth a closer look as it will motivate many to prepare adequately for this final stage of life Multimedia Alat untuk Meningkatkan Keunggulan Bersaing M.
