Focus On: 100 Most Popular English-language Film Directors Wikipedia contributors, [Rewriting the North](#) Chloe Ashbridge, 2023-05-15 This book shows how twenty first century writing about Northern England imagines alternative democratic futures for the region and the English nation signalling the growing awareness of England as a distinct and variegated political formation In 2016 the Brexit vote intensified ongoing constitutional tensions throughout the UK which have been developing since the devolution of Scotland Wales and Northern Ireland in 1997 At the same time British devolution developed a distinctively cultural registration as a surrogate for parliamentary representation and an attempt to disrupt the status of London as Britain's cultural epicentre Rewriting the North shifts this debate in a new direction examining Northern literary preoccupation with devolution's constitutional implications Through close readings of

six contemporary authors Sunjeev Sahota Sarah Hall Anthony Cartwright Adam Thorpe Fiona Mozley and Sarah Moss this book argues that literary engagement with the North emphasises regional devolution's limited constitutional charge calling instead for an urgent abandonment of the British centralised state form
