Good S To Read For Young Adults:

Young Adults Deserve the Best Sarah Flowers, Young Adult Library Services Association, 2011 As high school enrollment continues to rise the need for effective librarianship serving young adults is greater than ever before Young Adults Deserve the Best Competencies for Librarians Serving Youth developed by Young Adult Library Services Association YALSA is a document outlining areas of focus for providing quality library service in collaboration with teenagers In this book Sarah Flowers identifies and expands on these competency areas This useful work includes Anecdotes and success stories from the field Guidelines which can be used to create evaluation instruments determine staffing needs and develop job descriptions Additional professional resources following each chapter that will help librarians turn theory into practice The first book to thoroughly expand on this important document Young Adults Deserve the Best is a key foundational tool not only for librarians but also for young adult specialists youth advocacy professionals and school administrators *Consumption and the World of Goods* John Brewer, Roy Porter, 2013-06-17 The study of past society in terms of what it consumes rather than what it produces is relatively speaking a new development The focus on consumption changes the whole emphasis and structure of historical enquiry While human beings usually work within a single trade or industry as producers as say farmers or industrial workers as consumers they are active in many different markets or networks And while history written from a production viewpoint has by chance or design largely been centred on the work of men consumption history helps to restore women to the mainstream The history of consumption demands a wide range of skills It calls upon the methods and techniques of many other disciplines including archaeology sociology social and economic history anthropology and art criticism But it is not simply a melting pot of techniques and skills brought to bear on a past epoch Its objectives amount to a new description of a past culture in its totality as perceived through its patterns of consumption in goods and services *Consumption and the World of Goods* is the first of three volumes to examine history from this perspective and is a unique collaboration between twenty six leading subject specialists from Europe and North America The outcome is a new interpretation of the seventeenth and eighteenth centuries one that shapes a new historical landscape based on the consumption of goods and services **Beyond the Blockbusters** Rebekah Fitzsimmons, Casey Alane Wilson, 2020-03-18 Contributions by Megan Brown Jill Coste Sara K Day Rachel Dean Ruzicka Rebekah Fitzsimmons Amber Gray Roxanne Harde Tom Jesse Heidi Jones Kaylee Jangula Mootz Leah Phillips Rachel L Rickard Rebellino S R Toliver Jason Vanfosson Sarah E Whitney and Casey Alane Wilson While critical and popular attention afforded to twenty first century young adult literature has exponentially increased in recent years classroom materials and scholarship have remained static in focus and slight in scope *Twilight The Hunger Games The Fault in Our Stars and The Hate U Give* overwhelm conversations among scholars and critics but these are far from the only texts in need of analysis *Beyond the Blockbusters Themes and Trends in Contemporary Young Adult Fiction* offers a necessary remedy to this limiting perspective bringing together essays about the many

subgenres themes and character types that have until now been overlooked The collection tackles a diverse range of topics modern updates to the marriage plot fairy tale retellings in dystopian settings stories of extrajudicial police killings and racial justice The approaches are united though by a commitment to exploring the large scale generic and theoretical structures at work in each set of texts As a collection Beyond the Blockbusters is an exciting entryway into a field that continues to grow and change even as its works captivate massive audiences It will prove a crucial addition to the library of any scholar or instructor of young adult literature Harper's Young People ,1887 Reading for Action Ashley S. Boyd,Janine J.

The Critical Merits of Young Adult Literature Crag Hill, 2014-03-05. This examination of the literary effectiveness of young adult literature from a critical research-oriented perspective answers two key questions asked by many teachers and scholars in the field: Does young adult literature stand up on its own as literature? Is it worthy of close study? The treatment is both conceptual and pragmatic. Each chapter discusses a topical text set of YA novels in a conceptual framework, how these novels contribute to or deconstruct conventional wisdom about key topics from identity formation to awareness of world issues, while also providing a springboard in secondary and college classrooms for critical discussion of these novels. Uncloaking many of the issues that have been essentially invisible in discussions of YA literature, these essays can then guide the design of curriculum through which adolescent readers hone the necessary skills to unpack the ideologies embedded in YA narratives. The annotated bibliography provides supplementary articles and books germane to all the issues discussed. Closing End Points highlight and reinforce cross-cutting themes throughout the book and tie the essays together.
