McCort, 2016-04-28 Contributions by Rebecca A Brown Justine Gieni Holly Harper Emily L Hiltz A Robin Hoffman Kirsten Kowalewski Peter C Kunze Jorie Lagerwey Nick Levey Jessica R McCort and Janani Subramanian Dark novels shows and films targeted toward children and young adults are proliferating wildly It is even more crucial now to understand the methods by which such texts have traditionally operated and how those methods have been challenged abandoned and appropriated Reading in the Dark fills a gap in criticism devoted to children's popular culture by concentrating on horror an often neglected genre These scholars explore the intersection between horror popular culture and children's cultural productions including picture books fairy tales young adult literature television and monster movies Reading in the Dark looks at horror texts for children with deserved respect weighing the multitude of benefits they can provide for young readers and viewers Refusing to write off the horror genre as campy trite or deforming these essays instead recognize many of the texts and films categorized as scary as among those most widely consumed by children and young adults In addition scholars consider how adult horror has been domesticated by children's literature and culture with authors and screenwriters turning that which was once horrifying into safe funny and delightful books and films Scholars likewise examine the impetus behind such re-envisioning of the adult horror novel or film as something appropriate for the young The collection investigates both the constructive and the troublesome aspects of scary books movies and television shows targeted toward children and young adults It considers the complex mechanisms by which these texts communicate overt messages and hidden agendas and it treats as well the readers' experiences of such mechanisms [The Mindset Lists of American History](#) Tom McBride, Ron Nief, 2011-05-25 Snapshots of the U.S.'s last nine generations from the creators of the Mindset List media sensation Just as high school graduates in 1957 couldn't imagine life without zippers those of 2009 can't

The Bucket List to Mend a Broken Heart Anna Bell, 2016-03-10 A hilarious feel good romantic comedy for fans of Mhairi McFarlane and Sophie Kinsella Abi's barely left her bed since Joseph the love of her life dumped her saying they were incompatible When Joseph leaves a box of her possessions on her doorstep she finds a bucket list of ten things she never knew he wanted to do What better way to win him back than by completing the list and proving they're a perfect match But there's just one problem or rather ten Abi's not exactly the outdoorsy type and she's absolutely terrified of heights not ideal for a list that includes climbing a mountain cycling around the Isle of Wight and last but not least abseiling down the tallest building in town

Completing the list is going to need all Abi's courage and a lot of help from her friends. But as she heals her broken heart, one task at a time, the newly confident Abi might just have a surprise in store. Praise for Anna Bell Romantic and refreshing Mhairi McFarlane. A fun, bouncy, brilliant tale. Heat. Funny, relatable, and fabulously written. It's even inspired us to come up with a bucket list of our own. Daily Express. *Lists of Note*, 2015-06-16. Lists of Note curates 125 unputdownable entries from a list of names that are as eclectic and intriguing as its contents, which include myriad reasons given by ancient Egyptians for missing work, Albert Einstein's demands of his estranged wife, F. Scott Fitzgerald's extensive conjugation of to cocktail, and many more. Rarely intended for the public eye, these lists reveal hopes, priorities, and musings in a most engaging and entertaining way. Each transcript is accompanied by an artwork, most a captivating facsimile of the list itself. Richly visual and irresistibly readable, Lists of Note is a testament to the human urge to bring order to, poke fun at, and find meaning in the world around us, and is a gift of endless enjoyment and lasting value. Dave Bogart, 1998-05. *All Yesterday's Papers*. S. S. Genesee, 2023-08-03. Grand Rapids, Michigan, 1974. Another body is found. Another one of Maurice's victims. But as the law draws near, everything starts to change. Kenneth thinks things are finally looking up in his life. He has a wonderful partner in Maurice and a future that looks bright, or so it seems. As more murders occur and the police learn more about the Western Michigan Serial Killer, Kenneth's world begins to crack. Maybe his perfect lover isn't as perfect as he thought. Maurice spirals further and further out of control, losing sight of who he is. Is he an immoral, murderous artist, or a sweet, caring boyfriend? How long can he hide the truth from Kenneth before it all comes crashing down, ending his life as he knows it? Would Kenneth still love him if he knew? *All Yesterday's Papers* is Book Two of the *All Tomorrow's Photos* duology. It is not a standalone and must be read after Book One. This duology is a dark MM romance story not intended for a young audience. Contains graphic depictions of violence, blood, and gore, and explicit sexual content. **You're Only Young Twice**. Timothy Morris, 2000. Original and thought-provoking. *You're Only Young Twice* reveals the complexities that underlie even the sparest picture book text and the lessons that reside in even the most familiar family movie plots. Moving from classic texts like *The Secret Garden*, *Goodnight Moon*, to ephemera like the Hardy Boys, *Goosebumps*, and the Harry Potter series from the printed page to the silver screen, *Willie Wonka*, *Jumanji*, *101 Dalmatians*, *Beethoven*. Tim Morris employs his experience as a parent and teacher to interrogate children's culture and reveal its conflicting messages. Books and films for children, favorites accepted as wholesome fare for impressionable young minds, do not always teach straightforward lessons. Instead, they reflect the anxieties of the times and the desires of adults. At the heart of many a children's classic lies power often expressed through racism, sexism, or violence. Under Morris's gaze

revered animal stories like Black Beauty turn into litanies of abuse fantasies of childhood like Big are revealed as patriarchal struggles You re Only Young Twice redirects the focus on children s literature asking not What messages should children receive but What messages do adults actually send For example Morris recounts his own childhood confusion upon viewing Peter Pan with its queenish inept pirate and a grown woman Mary Martin in tights who pretends to be a crowing boy Morris shatters our long held assumptions and challenges our best intentions demonstrating how children s literature and films lay bare a troubled and troubling worldview
