Breslauer, 2002-03-25 Examining the strategies employed by Mikhail Gorbachev and Boris Yeltsin to build leadership authority George Breslauer focuses on the power of ideas as leaders use them to mobilize support and to craft an image as effective problem solvers indispensable consensus builders and symbols of national unity Throughout the book Breslauer compares Gorbachev and Yeltsin and Khrushchev and Brezhnev analyzing the changes in policy the strategies and the political dilemmas that are common to all four administrations He addresses such questions as Could Yeltsin have pursued a more beneficial path to a market economy despite Western advisors and actions of the International Monetary Fund For the chapters about Gorbachev Breslauer was able to interview former members of the leader's politburo including those who plotted Gorbachev's overthrow Interested in how leaders make changes Breslauer looks at how these leaders justified their actions and outflanked their opponents Breslauer sheds new light on the end of Soviet communism and Russia's transition to a market economy George W Breslauer is Dean of Social Sciences and Professor at the University of California Berkeley He has written and edited ten books about Soviet and post Soviet politics and foreign policy including Counterfactual Thought Experiments in World Politics Princeton University Press 1996 and Khrushchev and Brezhnev as Leaders London Allen and Unwin 1982 In 1998 he was awarded the Chancellor's Professorship for combining excellence in research teaching and university service and was most recently appointed Dean of Social Sciences at Berkeley

Gorbachev, Yeltsin, and Putin Archie Brown, 2013-01-25 This volume analyzes various aspects of the political leadership during the collapse of the Soviet Union and formation of a new Russia Comparing the rule of Mikhail Gorbachev Boris Yeltsin and Vladimir Putin the book reflects upon their goals governing style and sources of influence as well as factors that influenced their activities and complicated them too Contents Introduction Archie Brown Transformational Leaders Compared Mikhail Gorbachev and Boris Yeltsin Archie Brown Evaluating Gorbachev and Yeltsin as Leaders George W Breslauer From Yeltsin to Putin The Evolution of Presidential Power Lilia Shevtsova Political Leadership and the Center Periphery Struggle Putin's Administrative Reforms Eugene Huskey Conclusion Lilia Shevtsova Poor Leadership and Bad Governance Ludger Helms, 2012-01-01 Leaders are not always heroes Bad public leadership is a big problem If we are serious about holding our public leaders to account then we need to know why they were bad and why we supported them Ludger Helms and his distinguished team tackle these difficult questions with sympathy not cynicism Their careful and insightful analysis alerts us to the dangers of venal and poorly performing leaders R A W Rhodes University of Southampton

UK Leadership and the lack of it is a central but underexplored issue in the study of contemporary politics Ludger Helms is to be congratulated for bringing together a group of leading scholars to examine the relationship between leadership and governance William E Paterson OBE Aston Centre for Europe UK In leadership research there is a long tradition of focusing attention on the great and successful leaders and more recently on issues of good governance This study breaks new ground by looking systematically into the manifestations and causes of poor leadership and bad governance in some of the world's most powerful democracies Focusing on the presidents and prime ministers of the G8 the United States Canada the United Kingdom France Germany Italy Russia and Japan it explores the complex relationship between weak and ineffective leadership undemocratic leadership techniques and bad policies from a broad comparative perspective What makes leaders weak or bad in different contexts What are the consequences of their actions and behaviour And has there been any learning from negative experience These questions are at the centre of this fascinating joint inquiry that involves a team of truly distinguished leadership scholars This book will prove invaluable for scholars and students of leadership political science contemporary history and related academic disciplines Readers with a general interest in public affairs and political history will also find plenty to interest them

Russian Leaders Alexander Dragomiroff, 2002 Russian Leaders A Bibliography With Indexes

Contemporary Russia as a Feudal Society V. Shlapentokh, Joshau Woods, 2007-11-26 The book offers a theoretical discussion of the feudal model and a preliminary application of the model to post Soviet Russia In addition to a review of the feudal model as an ideal type the author explains the analytical benefits of drawing comparisons between countries and across historical contexts Specifically contemporary Russia is compared to Western European countries during the Middle Ages and to the Soviet period in Russian history The book is devoted to illuminating the most important political social and economic characteristics of contemporary Russian society

Modernisation in Russia since 1900 Markku Kangaspuro, Jeremy Smith, 2006-12-27 Modernisation has been a constant theme in Russian history at least since Peter the Great launched a series of initiatives aimed at closing the economic technical and cultural gap between Russia and the more advanced countries of Europe All of the leaders of the Soviet Union and post Soviet Russia have been intensely aware of this gap and have pursued a number of strategies some more successful than others in order to modernise the country But it would be wrong to view modernisation as a unilinear process which was the exclusive preserve of the state Modernisation has had profound effects on Russian society and the attitudes of different social groups have been crucial to the success and failure of modernisation This volume examines the broad theme of modernisation in late imperial Soviet and post Soviet Russia both through general overviews of particular topics and specific case studies of modernisation projects and their impact Modernisation is seen not just as an economic policy but as a cultural and social phenomenon reflected through such diverse themes as ideology welfare education gender relations transport political reform and the Internet The result is the most up to date and comprehensive survey of modernisation in Russia available which highlights both one of the perennial

problems and the challenges and prospects for contemporary Russia Institutions, Ideas and Leadership in Russian Politics Julie Newton, William Tompson, 2010-06-23 A stimulating and thought provoking collection that challenges some of the emerging conventional wisdom about contemporary Russia It examines the role of leadership institutions and ideas and the interactions among them in shaping Russia's post Soviet transformation Turning Points—Actual and Alternate Histories Rodney P. Carlisle, J. Geoffrey Golson, 2007-09-26 This fascinating work is a series of explorations of key events in the administrations of Ronald Reagan and George H W Bush each of which speculates on what might have happened if events had unfolded differently The Reagan Era explores a time that saw the rise of the political conservatism that has dominated U S politics in recent years as well as the end of the Cold War which drove American foreign policy for nearly a half century What if Jimmy Carter had successfully navigated the energy shortage and the Iranian hostage crisis What if the assassination attempt on Reagan had succeeded What if Iran Contra had not become a scandal These are among the specific topics examined in the book which looks at 11 crucial events and speculates on the effects of alternative outcomes By showing how easily the world might be different The Reagan Era reveals the lasting impact of that era's defining moments **History+ for Edexcel A Level: Communist states in the twentieth century** Robin Bunce, Sarah Ward, Peter Clements, Andrew Flint, 2015-07-31 Exam Board Edexcel Level AS A level Subject History First teaching September 2015 First exams AS Summer 2016 A level Summer 2017 Endorsed for Edexcel Enable your students to develop high level skills in their Edexcel A level History breadth and depth studies through expert narrative and extended reading including bespoke essays from leading academics Build a strong understanding of the period studied with authoritative well researched content written in an accessible and engaging style Ensure continual improvement in students essay writing interpretation and source analysis skills using practice questions and trusted guidance on successfully answering exam style questions Encourage students to undertake rolling revision and self assessment by referring to end of chapter summaries and diagrams across the years Help students monitor their progress and consolidate their knowledge through note making activities and peer support tasks Provide students with the opportunity to analyse and evaluate works of real history with specially commissioned historians essays and extracts from academic works on the historical interpretations **United States-Soviet Relations, 1991** United States.
