snapshots of happy male couples In this sweeping reinterpretation of the postwar years Ibson argues that a prolonged mourning for tenderness lost lay at the core of midcentury American masculinity leaving far too many men with an unspoken ache that continued long after the fighting stopped forever damaging their relationships with their wives their children and each other [Historical Dictionary of Contemporary American Theater: 1930-2010](#) James Fisher,2011-06-01 From legends like Eugene O'Neill Tennessee Williams and Arthur Miller to successful present day playwrights like Neil LaBute Tony Kushner and David Mamet some of the most important names in the history of theater are from the past 80 years Contemporary American theater has produced some of the most memorable beloved and important plays in history including Death of a Salesman A Streetcar Named Desire Barefoot in the Park Our Town The Crucible A Raisin in the Sun and The Odd Couple Historical Dictionary of Contemporary American Theater presents the plays and personages movements and institutions and cultural developments of the American stage from 1930 to 2010 a period of vast and almost continuous change It covers the ever changing history of the American theater with emphasis on major movements persons plays and events This is done through a chronology an introductory essay an extensive bibliography and over 1 500 cross referenced dictionary entries This book is an excellent access point for students researchers and anyone wanting to know more about the history of American theater **The Wicked Wit of Princess Margaret** Karen Dolby,2018-05-17 Celebrate the rapier like wit of the royal rebel the late great Princess Margaret or Ducky as she was known behind closed doors **A Dictionary of Writers and their Works** Christopher Riches,Michael Cox,2015-01-29 Over 3 200 entries An essential guide to authors and their works that focuses on the general canon of British literature from the fifteenth century to the present There is also some coverage of non fiction such as biographies memoirs and science as well as inclusion of major American and Commonwealth writers This online exclusive new edition adds 60 000 new words including over 50 new entries dealing with authors who have risen to prominence in the last five years as well as fully updating the entries that currently exist Each entry provides details of a writer's nationality and birth death dates followed by a listing of their titles arranged chronologically by date of publication **AP English Language and Composition Crash Course** Dawn Hogue,2011-01-14 At head of title REA the test prep AP teachers recommend **Encyclopedia of the American Novel** Abby H.
