

GOREY CREATURES

EDWARD GOREY

What is that hairy thing? And why is it stealing the baby? Chomping the china? Dangling from the dock? Beers and bats, Boggersloshes and Yawflies: Edward St. John Gorey's (1925-2000) real-world creatures are as enjoyably unsettling as those born solely of his uninhibited imagination and prolific pen. They populate the crosshatched world of Gorey's mature, delicious drawings.
