*Gospel-Fear or the Heart Trembling at the Word of God* Jeremiah Burroughs, C. Matthew McMahon, 2023-02-14 The fear of God is a primary spiritual grace deposited in the redeemed and pardoned soul Scripture is filled with directives in obedience before God based on godly fear because it is a principal grace it is part of the beginning of grace Why are not more Christian books taken up with the fear of the Lord It is because at the outset such seems to be very offensive to modern Christian sensibilities And yet The fear of the LORD is the beginning of wisdom and the knowledge of the Holy One is understanding Prov 9 10 Many Christians look to Christ like they look to a boyfriend or girlfriend rather than as the holy God who deals with sin through infinite wrath on the cross Christ directed his disciples to a holy fear of God Matt 10 28 Jesus is the loving Savior but this is bound up in the astonishment and amazement and respect of God's being and character in relation to sin and salvation He is to be feared What is godly fear Jeremiah Burroughs will answer this more than adequately He uses his primary text in Isaiah 66 2 But to this man will I look even to him that is poor and of a contrite spirit and trembleth at my word Knowledge of the word of God produces and cultivates the fear of God in Spirit endowed believers It produces a trembling and contrite Christian As a result he will show that Scripture informs the pardoned soul to understand God in the light of holy fear and trembling in turn that becoming a tender heart to follow the word and will of God as he demonstrates further from 2 Kings 22 14 Because thine heart was tender Holy dread and tenderness of heart are inseparably linked together as Gospel Fear

**Gospel Fear, Or, The Heart Trembling at the Word of God Evidenceth a Blessed Frame of Spirit** Jeremiah Burroughs, 1991 *Meet the Puritans* Joel R. Beeke, Fraser E. Jones, Randall J.

Pederson, 2025-10-21 Whether you're meeting them for the first time or returning with questions this is the indispensable guide to the lives and works of the Puritans If your impression of the Puritans comes from grim portraits high collars and joyless sermons *Meet the Puritans* will surprise you in the best way Behind those caricatures lies a warm Christ centered spiritual tradition shaped by people who loved Scripture treasured grace and sought to glorify God in every part of life The Puritans took life seriously because they took God seriously Grace and guilt love and sacrifice heaven and hell weren't abstractions to them they were urgent realities Today when conviction of sin is dismissed as gloom when earnest faith is pitied and when diligent obedience is labeled as legalism we desperately need their witness If you hunger for depth for holiness for real communion with God open these pages Let these lives challenge you and these writings nourish you Take the time to meet the Puritans you'll find in them deep truths godly examples and an exalted Christ This New Edition Includes 45 New Biographies for a total of 190 English and American Puritans seventeenth century Scottish Presbyterians and Dutch Further Reformation divines 278 New Summaries of Puritan works with annotated bibliographies of modern reprints Comprehensive Revision of the entire previous edition 200 New Titles Added to the select bibliography of secondary sources New Expanded Glossary plus an updated expanded list of Puritan publishers The definitive reference for engaging the

Puritan tradition praised by pastors scholars and serious readers alike Substantial enough for study accessible enough for devotional use Meet the Puritans is that rare kind of reference book that invites you to actually read it If you re serious about reading the Puritans or simply looking for a clear starting point this is the place to begin Puritan Manifestoes Walter Howard Frere, Charles Edward Douglas, 1907 Sermons from the Halls of Church History: The Writings of A Puritan's Mind Volume 2 C. Matthew McMahon, John Calvin, Simeon Ashe, Alexander Henderson, 2012-06-11 The aim in preparing this work of sermons has been to publish some of the best sermons of the reformed pulpit or reformed teaching from the halls of church history sermons that line up with biblical exegesis and reformation teaching It is believed that these sermons will be found valuable as examples of great preaching They will be without a doubt helpful to those who seek reading expositions of the Word of God for the upbuilding of personal character and for strengthening their Christian faith to walk more closely with Jesus Christ The sermons have been chosen in some cases for their literary and rhetorical excellences but in every case for their helpfulness in solving some of the problems of Christian living and reformation to glorify God This volume contains some never before published sermons such as those by Simeon Ashe Lazarus Seamen Alexander Henderson and John Hooper and some important sermons such as the ones by John Calvin and Savanarola This is not a scan or facsimile and contains an active table of contents for electronic versions John Wesley's View and Use of Scripture Mark L. Weeter PhD, 2007-01-01 John Wesley by his own words considered himself a Man of One Book meaning of course the Scriptures Yet what does this seemingly declarative statement really mean What was Wesley s view on the inspiration authority and even the infallibility of Scripture This question is more than a historical curiosity when we recognize the current debate between evangelical groups over their views of the authority of Scripture Recognizing the debt all Wesleyan movements have to Wesley s teachings and doctrines this book will attempt to answer some critical questions about Wesley s view and use of the Bible How did Wesley develop his views How did he incorporate Scripture into his development of the Methodist movement What was the position of Scripture in what has become known as the Wesleyan Quadrilateral of reason experience tradition and Scripture What were his views on inspiration and infallibility and would his principles of interpretation hold up against modern critical scholarship Finally and perhaps most importantly what influence did Wesley s view and use of the Bible have upon the success of the Wesleyan Revival Are there lessons we can still learn from Wesley that could impact the world and church of the twenty first century This book will attempt to answer these and many other fascinating questions about John Wesley a Man of One Book **An Investigation of the Seventeenth- to Nineteenth-Century Puritan Vernacular Tradition** Douglas T. Root, 2020-07-15 An Investigation of the 16th 18th Century Puritan Vernacular Tradition argues that Puritan writers specifically from the 17th to the 19th century developed a collective vernacular which was intended to in the words of John Milton justify the ways of God to man However their phrases much like the Puritans themselves never achieved a sufficient level of uniformity As a result their verbiage though quite often similar the manner in which it is used frequently

differs Puritan authors routine suggestion that certain circumstances pleased God began as an attempt with which to interpret God's involvement in their day to day lives However as time passed these interpretations became further removed from the Scripture and ultimately functioned as a way for writers to indict God when things badly or to praise him only when he showed them favor

**Theater**

**Enough** Jeffrey H. Richards, 1991 The early settlers in America had a special relationship to the theater Though largely without a theater of their own they developed an ideology of theater that expressed their sense of history as well as their version of life in the New World Theater Enough provides an innovative analysis of early American culture by examining the rhetorical shaping of the experience of settlement in the new land through the metaphor of theater The rhetoric or discourse of early American theater emerged out of the figures of speech that permeated the colonists lives and literary productions Jeffrey H Richards examines a variety of texts histories diaries letters journals poems sermons political tracts trial transcripts orations and plays and looks at the writings of such authors as John Winthrop and Mercy Otis Warren Richards places the American usage of theatrum mundi the world depicted as a stage in the context of classical and Renaissance traditions but shows how the trope functions in American rhetoric as a register for religious political and historical attitudes Rise of Evangelical Pietism Stoeffler, 2018-08-14 Preliminary Material F Ernest Stoeffler Introduction F Ernest Stoeffler Pietism among the English Puritans F Ernest Stoeffler The Origin of Reformed Pietism on the European Continent F Ernest Stoeffler The Advent of Lutheran Pietism F Ernest Stoeffler Selective Bibliography F Ernest Stoeffler Index F Ernest Stoeffler
