Governance And Policy In Sport Organizations Sport Management:

Governance and Policy in Sport Organizations Mary A. Hums, Joanne C. MacLean, 2017-05-11 The third edition of *Governance and Policy in Sport Organizations* introduces readers to the power and politics of sport organizations. It explores the managerial activities essential to governance and policy development and it looks at the structure and function of organizations like those with which readers will interact in the workplace. It also demonstrates where the power lies in an organization or industry segment and how individual sport organizations fit in to the greater industry. Current policy issues and the ethical questions they raise are also addressed. Real world case studies demonstrate the types of dilemmas that sport managers face every day. In addition, professional administrators from a wide variety of sport organizations contribute their perspectives, giving readers a glimpse into the real concerns of sport professionals and the impact of governance and policy on their jobs. The book's practical foundations, readability, and logical organization all help readers to understand the big picture of the sport industry and their place in it as future sport managers. New to the third edition is a chapter on individual professional sport which explores how this industry segment differs from professional sport leagues. In addition, contributions from Thierry Zintz from the Universite catholique de Louvain offer insights into European sport organizations.

Governance and Policy in Sport Organizations Mary A. Hums, Yannick Kluch, Samuel H. Schmidt, Joanne MacLean, 2023 Now in a fully updated and expanded fifth edition, this textbook introduces the power and politics of sport organizations to the readers. It explores the managerial activities essential to good governance and policy development and looks at the structure and functions of individual organizations within the larger context of the global sport industry. Full of real world examples, cases, and data, this book examines the dilemmas faced by sport managers, administrators, and policymakers in their everyday work, helping readers to understand the importance of good governance and sound policy frameworks in any successful sport organization. Introducing core managerial functions and surveying every sector of contemporary sport, from school and community sport to professional leagues and international megaevents, this edition includes brand new chapters focused on diversity, equity, and inclusion; on esports; and on governance in times of crisis, covering issues such as COVID-19, climate change, scandal, and security risks. Helping readers to see a big picture across the contemporary sport industry at all levels and to find their place in it as future sport managers, this textbook is essential for all courses on sport governance, sport policy, or sport development. This book is accompanied by a suite of useful ancillary materials, including an instructors guide, test bank, and PowerPoint slides.

Governance and Policy in Sport Organizations Mary A. Hums, Yannick Kluch, Sam H. Schmidt, Joanne C.
