## **AP U.S. Government & Politics - Case Study: The 5th Amendment**

### **Overview of the 5th Amendment:**

The 5th Amendment to the U.S. Constitution provides several crucial protections for individuals within the justice system, including:

1. **Protection against self-incrimination:** A person cannot be compelled to testify against themselves in criminal cases ("pleading the Fifth").
  2. **Double jeopardy:** A person cannot be tried for the same crime twice if acquitted.
  3. **Due process:** The government cannot deprive anyone of life, liberty, or property without due process of law.
  4. **Eminent domain:** The government must provide just compensation when taking private property for public use.
- 

### **Case Study: Miranda v. Arizona (1966)**

#### **Case Background:**

- **Facts:** Ernesto Miranda was arrested in 1963 in Arizona for kidnapping and rape. After being interrogated by the police for two hours, he confessed to the crimes. Miranda was not informed of his right to remain silent or his right to an attorney. His confession was used as evidence, and he was convicted.
- **Legal Question:** Was Ernesto Miranda's 5th Amendment right against self-incrimination violated because he was not informed of his rights prior to his interrogation?

#### **Constitutional Issue:**

- **5th Amendment:** Does the protection against self-incrimination extend to individuals who are unaware of their rights during police interrogations?

#### **Supreme Court Ruling:**

**Study Guide** Gitelson,2003-07 **The Importance of Being Honest** Steven Lubet,2008-05-01 Popular author Steven Lubet brings his signature blend of humor advocacy and legal ethics to The Importance of Being Honest an incisive analysis of how honesty and law play out in current affairs and historical events Drawing on original work as well as op ed pieces and articles that have appeared in the American Lawyer the Chicago

Tribune and many other national publications Lubet explores the complex aspects of honesty in the legal world The Importance of Being Honest is full of tales of questionable practices and poor behavior chosen because negative examples are much richer and often more remarkable in their ultimate lessons Wyatt Earp s shootout with Billy Clanton Bill Clinton s disastrous decision to lie under oath Oscar Wilde s self destructive perjury in a 1896 libel trial and the dubious resolution of Justice Scalia s duck hunting trip with Dick Cheney are only a few of the cases Lubet use to illustrate that law is a vague and boggy realm where truth and falsehood is seldom absolute With his lively insightful and sometimes hilarious prose Lubet takes readers on a tour of the law in our everyday lives and forces us to rethink how we really feel about honesty and truth
